

O. D. ROLAND, affable con-signe for the Texas Company in Hamlin, was recalling the other night that he had served a longer sentence in one place than anyone in town—maybe because he was meaner or something. Of course he was referring to his long and faithful service on the Hamlin City Council.

"That's one job every citizen ought to have to occupy at some time—he would learn that this free civic place is not all roses; that it takes lots of time and even money for a fellow's place of business," he reminded. Many's the time, he said, members of the City Council are knocked out of attendance at social and civic functions of another nature when a regular or called session of the council is necessary.

Roland took occasion to praise Mayor B. M. Brundage for devoting so much of his time recently to the city's business in connection with efforts to cooperate with Stamford in solving the water problems of the two cities.

JUST RECALLED to mind the other day as we were reading some literature urging safe car driving, a little squib declared: The only place to pass on curves is at a beauty show.

All of which brings to mind a statement made several weeks ago by Mindy Carson, radio comedienne, who said when a woman meets a man who looks her straight in the eye—she'd better do something about her figure!

☆ EVEN some of our friends are becoming interested in our "poetry" department. And here's one that was contributed:

I view with scorn and deep disdain
The selfish guy on bus or train
Who has a paper when I need it
But holds it so I cannot read it.

☆ IF THINGS are going a little rough and troubled, and maybe the cotton isn't as good as it could be, all of us should remember that knee-pads can be used for more things than kneeling down to pick cotton with.

☆ DROPPED INTO talk with Sam Wilcox over at the Market Poultry & Egg Company this week, and we found him happy, and what he told us made all of us happy here at The Herald. He said that since he had been running a two-column ad, with the wheat and other planting seasons getting underway, he has been busy day and night.

"Brother," he said, "that sort of advertising is really paying off for us."

That is music to our ears, and perhaps it may lend weight of a profitable suggestion to those who have not been taking advantage of the Herald advertising columns. Over 6,000 people who read The Herald each week will spend more of their money in Hamlin if we make it attractive for them to do so.

☆ A FRIEND of ours, who has been ill, says that the one comforting philosophy about being sick in bed is that you get so restless, work is a renewed pleasure when you can be up and at it again.

But there are two ways to look at that philosophy. Many people often go on annual, needed vacations and can hardly wait to be back at their tasks, forgetting that it is as necessary to rest and relax as it is to work. On the other hand, one can loaf along too contentedly through life and not know the real joy of "pitching in" and working for the sheer satisfaction of seeing a job well done.

☆ HAMLIN, despite some bad breaks this year, is going ahead. The new Prewitt auto sales building is nearing completion. Final approval of the plans for a new post office building are expected to be announced from Washington any day, and rumors are that for the past 30 days "location surveys" have been made by three Texas firms for the possible introduction of new businesses here.

A "location survey" embodies a count-watch process over a given number of hours, or division of hours each day, as to the number of pedestrians and the number of motor vehicles passing a given point within those periods of time.

Most Hamlin Firms To Close Monday

Reversal of Trend Last Week Made as Petition Signed

Most of Hamlin's business establishments will be closed for Armistice observance next Monday. This decision is a reversal of the general trend that was expressed last week in a quick check of representative firms by The Herald.

Only the Farmers & Merchants National Bank and post office indicated definitely last week that they would be closed. Hamlin's Schools also will dismiss classes for the day, according to Superintendent I. R. Huchingson.

A petition was circulated among the business houses over the weekend setting Monday, November 12 (day after Armistice Day) as a holiday, and the following firms and individual merchants signed the petition:

D. & H. Department Store, The Style Mart, Carlton Hardware, McDonald's, Hamlin Home & Auto Supply, Western Auto Associate Store, A. C. Hall Paint & Wallpaper, Morgan Insurance Agency, Stubb's Shoe Shop, Jess Young Cleaners, W. H. Eysen Jr., B. V. Reynolds, Crow Brothers Grocery (closed after 10:00 a. m.), Hamlin Auto Parts, Howard Food Market, E. E. Shipley, O. D. Roland, Brady Service Station, Hamlin Flower Shop, E. C. Feagan, Inc., Gardner Tire & Auto Supply, H. O. Cassie & Son, Carter's Variety Store, Barrow Furniture, Doyle Blackford, McMahon Jewelry, Hassen Department Store, Townley's, Cactus Beauty Shop, Sanders Jewelry, F. & M. National Bank, J. B. Terrell & Son, Turner Insurance Agency, J. C. Turner Jr., Mrs. L. L. Cowan, Herd's Pastry Shop, James Furniture Company, William S. Seals, The Book Shop, Hughes Men's Store, White Auto Store, City Electric & Plumbing Company, R. B. Spencer & Company, Teague Implement, Wade Farm Machinery, Jay Implement Company, Paul Bryan Lumber Company, Witt Jewelry, Durham's Radio Shop, Dillingham Barber Shop, Branscum Repair Shop, Style Cleaners, Electric Service Company, King's Supply, Imperial Barber Shop, Hudson Auto Electric, M. & H. Service Station, Burgess Oil Company, Carl Murrell Chevrolet Company, J. H. Wood Garage, Hall's Garage, L. E.

See ARMISTICE—Page 12

Cold but Fishy

We usually think about the fine fishing weather of a balmy spring day.

But Clifford Carr of Celotex is different. Monday he came in to the Hamlin Lake—while the temperature was low and ice was seen around—and baited his fishing hooks just like he expected to catch something.

Doggone if the fish didn't cooperate, and Clifford went home with a six-pound bass.

Oil Activity Still Slow on Account of Cold Weather

For the second week in succession wildcatting plans in the greater Hamlin and Jones County oil areas seemed stymied by foul weather and delayed plans. Only one location had been announced.

Chief interest yesterday was centering on the L. H. Burrow property, nine miles west of Hamlin, where drilling was continuing uninterrupted at the 3,500-foot level.

No further plug-ins had been reported on well prospects in the district.

The wildcat location for Jones County was Clark & Cowden Oil Company and others of Dallas No. 1 G. W. Smith estate, spotted as a 3,500-foot wildcat.

Drill site is two and one-half miles southeast of Hamlin, 330 feet from the north and east lines of Section 8, Block 354, Austin & Williams Survey.

Dog Plays Fovariate With Mail Carrier

For the second time in the same place, on the same leg, Roy Mauldin, mail carrier for the west part of Hamlin, yesterday morning was bitten by the same dog.

W. L. Hunter, carrier who handles the eastern section of the city, also has been bitten and Postmaster Perry Sparks asked that the public "please cooperate in either muzzling such dogs, or keeping them tied up."

"Postal regulations do not require that mail carriers make any deliveries where vicious dogs are at large," he said. "In this instance Mauldin was not even delivering mail at his owner's property."

Boys Injured in Dynamite Cap Firing Friday Still in Hospital But Not Serious

Three young men in a Hamlin hospital this week were considering the fact with dire consequences, that you can no more trust dynamite than you can a fickle woman.

Suffering severe but not critical "shrapnel" wounds, they were Richard Powell, 16, son of Mr. and Mrs. A. D. Powell, Troy Collins, 17, son of Mr. and Mrs. Dick Collins, and Roroteo Rivera, 14, son of Mr. and Mrs. John Rivera.

The boys had gone hunting about three miles east of Hamlin Friday of last week and were on a small creek bank. There they found two sticks of dynamite in a can, which probably had been left by some seismograph crew.

Deciding to try their marksmanship and see what would happen, they threw the sticks of dynamite into the air and fired into them—and all of them missed.

Then they decided to fire into the can—and things happened fast. Life became a No Man's Land—as if someone had stumbled upon a booby trap.

The can exploded and the three boys were knocked unconscious. An area of 10 feet around the can was torn up and a space the size of two ordinary rooms was left bare.

to the Moore Grain & Elevator Company, where Paul Farrow put the boy in his car and took him to the Hamlin hospital.

An ambulance was rushed by Chief of Police J. H. Foster to rescue the other two boys.

It could not be ascertained how many mercury or electric blasting caps were in the can, but pieces of red tin and copper were clinging to many parts of young Collins' body and in the legs of the two other youths.

At the hospital the boys were cheerful over the accident and with them many hours of the day were young Powell's wife, Mrs. Billie Sue Powell.

Man Hurt in Crash of Auto at Sylvester

F. J. Hanna of Sweetwater was seriously injured and his wife miraculously escaped injury Friday when a left front tire on their car blew out on a wet pavement at Sylvester. Hanna sustained a fractured left hip and other injuries.

The car, out of control, crashed into the brick wall of a barber shop. The car was almost completely wrecked.

Hanna was brought to Hamlin Memorial Hospital. He is a nephew of Mr. and Mrs. F. L. Meyer and Mr. and Mrs. Sidney Cauthern of Sweetwater.

NEARING 83—Former Vice President John Nance Garner, who will be 83 years old on November 22 shells pecans as he sits on the back porch of his home in Uvalde. He grows the pecans on trees on his lawn. Garner still is hale and hearty, and says he shells six to eight pounds daily.

Winter Continues Grid on Hamlin Area But Little Damage Done to Most Crops

It has been a week of rain, snow, frost and freezing weather in the greater Hamlin area, but yesterday (Thursday) it was not believed the freeze had caused too much damage to the crop situation.

Starting with Thursday of a week ago it rained 48 inches during a 24-hour period, then on Friday these wide open spaces were covered with snow, Bill Rountree of the City Water Department reporting that the combined snow and mist of that period registered 41 inch.

Monday morning there was a heavy frost, and the temperature dropped to 27. On Tuesday there was another frost, but far lighter.

Wednesday it began to warm up, and Thursday (yesterday) the day opened bright and sunny and with the thermometer down to only 30.

The heavy frost tends to a great extent to cause the leaves to fall from the cotton stalks, and makes picking easier and the product cleaner.

It seems to be the consensus locally that the rain, snow and heavy frost cost the greater Hamlin area probably 1,000 to 1,200 bales of cotton, W. R. Terry, Ted Russell and others being of a similar belief.

On the other hand, it was pointed out that in almost every fall season, early or late, the district is hit by a heavy frost and that, in actuality, the percentage of cotton to be baled probably will be in ratio about the same as in other years of similar conditions.

Likewise, due to drought-like conditions that have prevailed for many months, there was little forage on farms and ranches to be harmed by the frost.

Since there was no wheat up, none could be injured, and the seed that had been planted in most if not all cases had not had time to germinate following the general rain of a week ago.

Little unharvested feed crops remained in the region.

The average killing frost in this section of West Texas usually

falls about November 12, and because it came earlier this year it will cause ranchers to begin feeding stock sooner than usual, which in turn was interpreted to mean that farmers and ranchers alike can only hope for an easy winter and an early spring.

The changed weather caused many colds, helped the drug store business, and there was no small number of flu patients sent to the local hospital.

When the heavy rain fell here last week, the F. W. Coreys of the Boyd's Chapel district were in and said that in their immediate region approximately one inch of rain had come.

The Coreys have lived in the Hamlin area since 1901, have nine children, and have farmed in the Boyd's Chapel district since 1922.

Scouters of Three Counties Meet at Hamlin Tuesday

Scouting in the northern district of the Chisholm Trail Council was given a "shot in the arm" when 58 Scouters from three area counties gathered Tuesday evening at the First Methodist Church in Hamlin to discuss the work in this section.

Scoutmasters, Cubmasters, Cub Mothers and other Scouters from Jones, Shackelford and Haskell Counties were present for the program, directed by Robert Glew of Abilene, council executive, and John Hagen of Stamford, new district field executive.

The new three-year program for Boy Scouting in the United States, themed "Forward on Liberty's Team," was outlined.

An impressive mock court was presented in which it was shown conclusively why Scouting should go forward to make good citizens out of the boys of today.

At the close of the program Tom Vaughan and Jerry Waggoner served cookies and coffee

Phone Rate Increases Approved for Hamlin

Cotton Picking Slowed by Bitter Cold During Week

With clear, sunny weather and the temperatures rising, the three Hamlin gins and the total of six in the greater Hamlin area were producing again at approximately the same ratio as before the rain and freezing weather.

Up to press time the three gins in Hamlin had processed a total of 1875 bales, and the gin managements said that by this (Friday) morning the gins would be hitting their former stride.

The gin stands also were humming again at Tuxedo, McCaulley and Neinda. In fact, in the latter plant the management said their only complaint was a shortage of hands to help with the work. These three gins, up to press time, had processed 1,692 bales of cotton—giving the greater Hamlin area with its six gins a total of 3,567 bales.

The bad weather had slowed down cotton picking for the last week, but unless unforeseen bad weather arises over the week-end—and the prediction is for clear skies and warmer temperatures—the crop will again be under the full swing of harvesting by Monday.

Hamlin to Host County Teachers Tuesday Evening

First meeting of the Jones County Teachers Association for the current school year will be held next Tuesday evening at 7:30 o'clock in the Hamlin High School cafeteria.

Date for the initial general gathering of Jones County teachers was set when members of the executive board of the association met recently in the grade school building at Anson.

"It is hoped that the teachers of the county may become better acquainted with each other in this social gathering," declared an official of the group.

Subsequent meetings will be held in other schools of the county during the school year. It was pointed out. Selection of the next meeting place and date will be made at the Tuesday evening meeting at Hamlin.

Members of the executive board include the following: Marvin D. Carlton of Hamlin, president; Mrs. Joe Breed of Anson, first vice president; David Garlington of Hawley, second vice president and publicity chairman; Maurine Turner of Stamford, secretary; and Mrs. G. E. Douthit of Lueders, treasurer.

GRASS FIRE CONTROLLED

The Hamlin Volunteer Fire Department was called Thursday afternoon to put out a grass fire in the north portion of the city near the water tower. No material damage was done.

Letter to Santa

If being early means anything to Santa Claus, Roy D. Kelly ought to have a full stocking come Christmas!

Young Kelly sends the first letter of the season, which The Herald intercepted, as follows: Dear Santa Claus: I would like a pair of spurs for Christmas and also one pair of guns and scabbards and a pair of chaps. Signed—Roy D. Kelly.

Note—The Herald will print all the remaining Santa Claus letters in its Christmas edition, to be dated December 21.

Huchingson Heads School Masters of West Texas Area

Superintendent I. R. Huchingson of Hamlin Schools was named president of the District 5 School Masters and School Board Association, when representatives from the 12 member schools met Monday night at the J. P. Cowan School in Sweetwater.

Frank Wilson of Snyder was elected secretary of the group, which has for its purpose discussion of improvements of schools in the light of school administrators and members of boards of trustees.

Dr. Willis A. Sutton, past superintendent of public schools at Atlanta, Georgia, was principal speaker at the Sweetwater gathering.

Colorado City was picked as site for the next meeting of the group, date for which will be set later.

Attending from Hamlin were A. Spencer, LaFoy Patterson, Haskell Carter and Clarence Bailey, members of the Hamlin Independent Consolidated School District Board; Superintendent Huchingson, High School Principal B. V. Newberry, Elementary School Principal Marvin Carlton, George Hook, Walter Chalcraft, George Black, Harold Eades and Vernon Townsend.

Overseas Mailing Urged by Postmaster

Hamlin area folks with relatives and friends in service overseas are urged by Postmaster Perry Sparks to doing their Christmas mailing soon.

Sparks explains that the post office department will make every effort to have the packages delivered by Christmas day.

College Choir to Sing At Calvary Church

The Jacksonville Baptist College choir will render a musical program this (Friday) evening at 7:30 o'clock at Calvary Baptist Church.

The public is invited to attend and hear the program, according to members of the congregation.

Adjusted Raises Submitted by City Get Phone Firm OK

After negotiations lasting nearly five months, increases in telephone rates have been agreed upon and approved between the Hamlin City Council and Southwestern Bell Telephone Company.

The company had submitted figures to Mayor B. M. Brundage and council in June showing that on an investment in Hamlin of \$290,000 it had lost \$13,248 or 4.57 per cent in 1950.

Upon those figures the company asked substantial increases in business and telephone rates here, and the Hamlin City Council, in turn, on October 16 passed an ordinance authorizing some proportionate increase in the rates as a compromise.

Marshall Kemp of Abilene, representing the company, was here Wednesday and informed Mayor Brundage and the council that Southwestern Bell would accept the compromise rate schedule, which will become effective on billing as of November 16.

On one-party business phones the company had asked that the rate be increased from \$5.50 per month to \$8. The council improved an increase to \$7.50.

An increase of \$1.50 on extension of such business phone had been asked. An increase to \$1.25 was allowed.

The company had sought an increase from \$2.75 to \$4.25 on one-party residential phones. The council compromised on an increase to \$4.

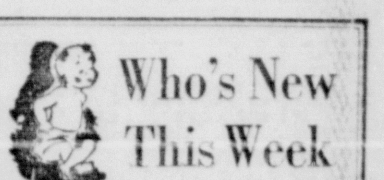

An increase from \$2.25 to \$3.50 had been sought on two-party residential service. An increase to \$3.25 was allowed by the council. An increase in residential extension service from 75 cents to \$1 also was approved.

The approved increase also raised commercial PBX trunks from \$8.25 to \$11.25 per month. An increase of \$1.50 from \$1.25 on commercial PBX stations was allowed.

The rural rates, over which the mayor and the Hamlin council have no control, also were to be raised as of November 16, Mr. Camp said yesterday.

Rates on rural business phones

See PHONE RATES—Page 14

The girls continued to hold the edge on the boys among newborns reported by the Hamlin Memorial Hospital since last week's report in The Herald. Four girls and two boys were recorded. They are:

A girl for Mr. and Mrs. Henry Eugene Sanders of Hamlin, who arrived October 28 at 10:45 p. m. The little lady, who weighed seven pounds eight ounces, has been named Donna Sue.

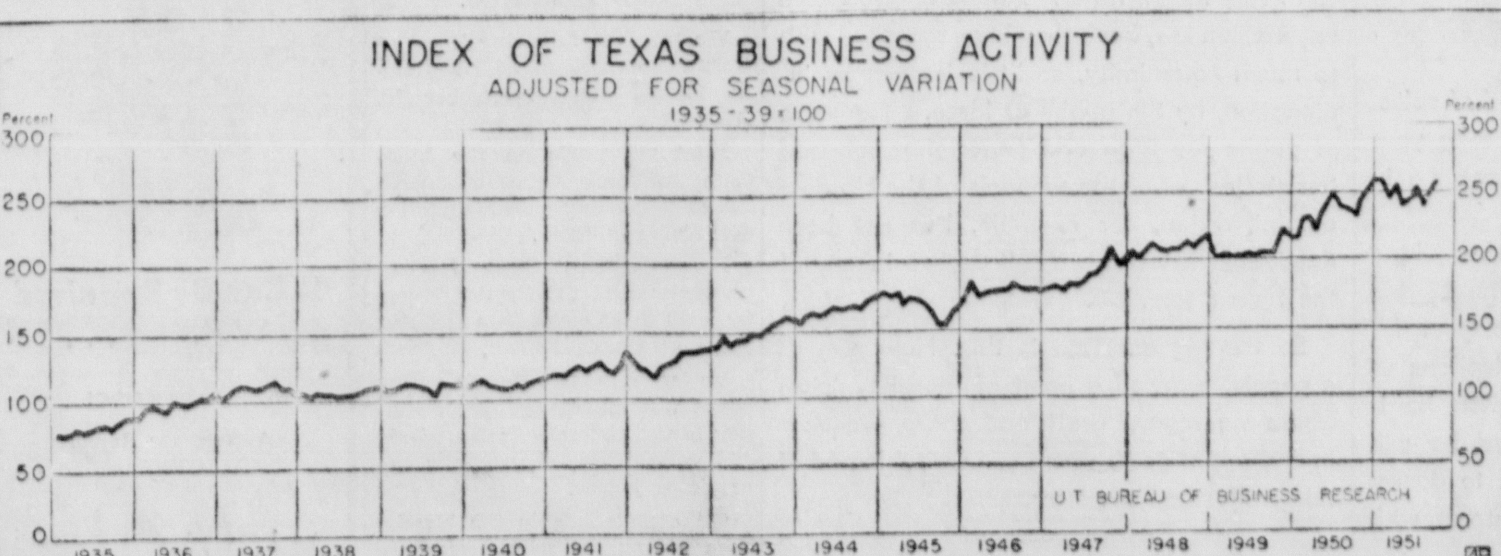

A girl for Mr. and Mrs. Clarence Lee Howard arrived October 30 at 11:00 a. m. She will answer to the name of Debra Sue. She weighed eight pounds three ounces.

A boy for Mr. and Mrs. Mack Frederick Sellers weighed eight pounds four ounces when he was born October 31 at 10:30 a. m. He has been named Bill Cooper.

A girl for Mr. and Mrs. Johnny Allen Trougher of Route 3, Hamlin, who has been named Marsha Gayle. When she arrived November 4 at 5:15 a. m. she weighed six pounds 12 ounces.

A boy for Mr. and Mrs. Ignacio Meramontez of Rotan, who was born November 4, at 5:50 a. m., has been named Ignacio Junior. He weighed only four pounds 15 ounces at birth.

A girl for Mr. and Mrs. Jack Stallings Russell of Hamlin, who was born November 6 at 2:00 p. m. The little miss, who weighed seven pounds 11 ounces, has been named Wendy Kay.

BUSINESS IMPROVES—The chart prepared by the University of Texas Bureau of Business Research shows a

slight rise in Texas business activity. Director John R. Stockton said, "The barometers of Texas business for

September added to the evidence accumulated the previous month show the minor decline in business activity,

which has dominated business volume since early last spring, may have reached an end and will continue its climb."

V. F. W. Aids Polio Victims

It is strange how selfish we are in so many ways, and how sympathetic and understanding we are in others. Take the rains of the last two weeks, and the unexpected snow of last Saturday morning. How many of us stopped our cars and asked some neighbor whether we could help him or her into town?

Very few, no doubt.

But Tuesday night of last week when a representative of the Veterans of Foreign Wars Gonzales Polio Foundation Fund came to Hamlin, the ladies of the Auxiliary quickly prepared the food for a box supper, and \$111 was raised immediately at the informal evening.

That is what makes America a great place, because it was founded by fathers who had a great heart of understanding and charity.

The work being done by the veterans at Gonzales is all-important.

Every year tragedy strikes in thousands of Texas homes, and sturdy little bodies, once busy at school or play, are broken and crippled. Polio is often the cause, but other neuromuscular diseases leave wasted limbs and heart-break in their wake, and accidents also take their toll among our future citizens. In 1937 the Gonzales Warm Springs Foundation for Crippled Children was established as a treatment center for these handicapped children. It is a non-profit, charitable hospital chartered by the state, but depending upon generous Texans for support.

Facilities now exist at the Gonzales Foundation to care for more than 100 children with physical therapy, in or out of treatment pools; muscle re-education and rebuilding; occupational and recreational therapy.

And the children go to school and to church. They have social and recreational activities. They are happy, determined and courageous.

Texans have been most generous in their support of this state-wide treatment center, but additional facilities are vitally needed. A building program to care for more handicapped children has already begun. Funds must be provided to insure continued operation of the hospital on a scale expanded to meet present and future needs.

Your support, and the support of every V. F. W. member, is an investment in hundreds of tiny lives.

It has been truly said that we best honor the hero dead by helping those who are still living.

Warning to Merchants

The Herald has been advised by the Texas Press Association that the customary crop of transient salesmen are operating in Texas, selling advertising specialties to local merchants in towns over the state.

Some of these salesmen sell merchants space at two or three times the local newspaper's regular rates, then offer it to local publishers at their regular rates; some of them sell space in newspapers, collect for it and that is the last that is ever heard of them.

Another racket of the fly-by-night salesmen is to sell cartoon advertising with the promise that the cost of the cartoons includes the running of the cartoon in the newspaper, which it very seldom does.

In the past we have had this kind of salesmen work in our town, and they take your advertising money—and you get nothing in return for it.

When an advertising salesman of any kind who is not a representative of The Herald calls on a merchant or other prospect for advertising, we suggest that he telephone us for confirmation. Most likely when he is told the newspaper will be called he will leave or tell you there is no need to do so; that he has already made a contract with the local newspaper. We suggest that the advertiser telephone us anyway, because he has most likely not even been in the newspaper office.

Where Are We Headed?

The cheating scandal at West Point was simply the latest in a series of shocking developments within and without the government. In the academy case, some of the cadets said that such practices had been going on for a considerable period of time, and that men had been graduated and commissioned who had been guilty of them. It is noteworthy that most of the members of West Point's big time football team were involved. West Point has extremely high academic standards, and large numbers of cadets who are unable to meet them are dropped each year. The football players, apparently, had to devote so much of their time and energy to practicing and traveling that they couldn't properly cope with their studies. So the system of cribbing was developed and, it seems, rather widely accepted within the corps, despite the fact that it was a clear and flagrant violation of an honor code which has existed since the school was founded during the Monroe administration.

Prior to this, the nation was treated to the revelations concerning the bribing of key players on some leading college basketball teams by professional gamblers. The players concerned either deliberately threw games, or saw to it that the winning margin was restricted to a certain number of points. The gamblers thus had a sure thing and cleaned up on it.

We have recently witnessed the dramatic Kefauver investigation of organized gambling. It brought to light an amazing amount of state and municipal official corruption. In instance after instance, police chiefs, sheriffs and other influential officials worked hand-in-hand with the gamblers and received handsome payments for their services.

At about the same time the Fulbright committee looked into the moral standards of certain federal officers, including men close to the white house. Apparently nothing actually criminal was unearthed. However, to say the least, some extremely questionable practices and associations were discovered. Some men in public positions of responsibility and power seemed to think it was quite all right to exchange official favors for "gifts" from people who were interested in government contracts, RFC loans and so on. With few exceptions, the officials involved still have their jobs.

Not so long ago the newspapers were full of activities of the five percenters—the men who, because of real or alleged connection with top Washington officials, obtained government contracts for a fee. This practice is supposed to have been outlawed. But it is widely believed that some of the five percenters are still doing business at the same old stand.

What makes all this particularly important is that, in the view of many thoughtful people, it indicates a terrible decline in the moral fiber of the nation. There have always been scandals—they destroyed two administrations, those of Grant and Harding. There has always been corruption, graft, bribery, cheating, dubious practices. But rarely if ever have the been seen on so wide a scale as in very recent times. And never, so far as anyone can see, have they been accepted with so much equanimity, so little interest or indignation, by the public at large. The wave of public revulsion and anger that followed the disclosures of the scandals of the Harding administration, for example, has not been duplicated to even a small degree in any of the recent scandals.

So the big question is this: Have we, as a people, reached a point of moral cynicism where we regard graft and sharp practices in and out of government as inevitable and of relatively small importance?

Nature knows no pause in progress and development, and attaches her curse on all inaction.—Johann Wolfgang von Goethe.

RECALLING Other Years

☆ Being news items taken from old files of Your Home Town Newspaper, The Herald . . .

TWENTY YEARS AGO

From the file of The Hamlin Herald dated November 13, 1931, we take these news briefs:

The Texas Company's Daniel No. 1 oil well came in a good producer last week on the Hamlin-Rotan highway.

Members of the Rotary and Lions Clubs joined in a banquet Tuesday evening at the Methodist Church. More than 100 members of the two clubs and their wives attended.

Haskell High School's football team defeated the Hamlin Pipers Friday by a score of 14 to 0.

Strauss Dry Goods Company was advertising one lot of bloomers, slightly damaged, regular \$2.59 values for only 59 cents.

At the Bryant-Link Company grocery department, these items were featured: Flour, 48 pounds, 89 cents; sugar, 25 pounds for \$1.33; Maxwell House coffee, three-pound pail, 89 cents; and gallon crushed pineapple for 69 cents.

Mmes. Martin McSain, S. C. Ferguson, W. J. Bryant and Turner Bynum attended the meeting of the Texas Federation of Women's Clubs in Lubbock this week.

TEN YEARS AGO

From the issue of The Hamlin Herald dated November 7, 1941, we take these items:

Superintendent of Schools G. A. Bennett announced that holidays for Hamlin Schols would include two days for Thanksgiving and six days for Christmas.

R. T. Tarvick, Katy track worker of Hamlin, was killed Thursday when the motor car taking a crew out beyond the cemetery jumped the track. Others of the crew were only slightly injured.

Deposits in the Farmers & Merchants National Bank passed the million dollar mark in the statement published this week for the close of business October 30. The total represents an increase in deposits over the previous statement of \$383,900.

Nominees for the queen of Hamlin High School were named by the four classes last week. Jo Nell Newberry represents the freshman class; Charlene Durham was chosen from the sophomore class; the juniors chose Billie Faye Rountree to represent them in the race; and Betty Abbott is the seniors' choice.

TEN YEARS AGO

Items of interest in the issue of The Hamlin Herald dated November 8, 1946, included:

Voting was light in the two Hamlin boxes in the general election.

Work was progressing nicely on extension of the farm-to-market highway from McCaulley to Longworth.

Ellis A. Hall's No. 1 J. B. Terrell oil test, 10 miles west of Hamlin, was looming as a good producer as The Herald went to press this week.

Wheat land is in the best shape it has been for several years, and the crop picture for the Hamlin area looks bright. However, the tail ends of the cotton crop are turning out poor.

Ginnings by the Hamlin gins had passed the 1,200-bale mark at press time for The Herald.

Verlene Stewart was crowned queen of Hamlin High School. Others in the coronation ceremony conducted in connection with a school carnival were: Patsy Parker, Durwood Smith, Lavon Stewart, Donna Gail Miller, Betty Jo McNeely, George Barnett, Frances Martin, Joan Johnson, Joan French, Alton Kite, Nozik Hassen, Sarah Steele, Seth Neal, Bettye Sellers and Shirley Baggett.

ONE YEAR AGO

We take the following items of news from the issue of The Hamlin Herald dated November 10, 1950:

First rehearsals on the Lions Club minstrel were conducted Tuesday evening under direction of Lanelle Sullivan.

Hamlin's Pied Piper football crew trounced the Snyder Tigers by a 20 to 13 count in a thrilling game at Snyder Friday.

Voting in the two Hamlin voting boxes was extremely light Saturday in the general election. Only 156 votes were tabulated by the presiding judges.

Oil completions in the Hamlin area during the past week have extended production several miles in two directions.

The Herald with this issue completes 45 years of service to the Hamlin section.

Family Reunion and Dinner Honor Radium Community Pioneers Sunday

Mr. and Mrs. J. E. Dutton, pioneers of the Radium community southeast of Hamlin, were honored at a family reunion and birthday dinner in the home of Mr. and Mrs. J. A. Murff at Roby Sunday. Mr. Dutton will be 81 years old November 17, and Mrs. Dutton was 70 years of age on October 30.

Born in Missouri in 1870, Mr. Dutton moved with his family to Kentucky when he was two years old, and then came to Texas in 1893, settling near Lockhart.

Mrs. Dutton was born in Virginia and came to Texas when she was six years old. She and Mr. Dutton were married at Lockhart in 1898 on January 2. They then moved to Jones County and purchased land off the old Chittendon Ranch in 1906. At that time Stamford was but a small place, and the county was all in open country, the pioneers recalled Sunday.

To the long-time county residents of this section were born 13 children, 11 of whom are still living—three boys and eight girls. They have 32 grandchildren and 13 great-grandchildren.

Those attending the happy family get-together were Mr. and Mrs. Troy Austin and daughter, Sue of Hamlin; Mr. and Mrs. Dee Rankin and Guendell, Wanell and Densil Lee of Anson; Mr. and Mrs. Richard Dutton and Janey of Eastland; Mrs. Flora Carter, Ida and Nancy of Hamlin; Lillie Dutton of Anson; Mr. and Mrs. J. O. Carpenter, Claudie, Darlene and Kay of Hamlin; Mr. and Mrs. Alfred Dutton and Karen of Anson; Mr. and Mrs. J. A. Murff, Jimmy and Janice of Roby; Mr. and Mrs. Woodrow, Don, Frank, Sue and Bill of Anson, Mr. and Mrs. Eual Burton, Dennis and Vicky of Kress; Mr. and Mrs. Bernell Dutton and Pam of Kress; Mr. and Mrs. Douglas Rankin, Gerry and Wayne of Anson; Mr. and Mrs. Willie D. Rankin, Bruce and Donna of Eastland; Mr. and Mrs. Bernice White and Selena Gail of Hamlin.

Two grandsons who are in military service were especially missed at the family reunion. They are Luvaine Austin, who is now at Seattle, Washington, and John W. Carter, who is in New York. Others who could not attend were Mr. and Mrs. Louis Austin, Ronnie and Brenda, Mr. and Mrs. J. B. Neal and baby of Crane, Mrs. Rosemary Kruger and daughter of San Angelo, Harold Carter of Abilene, Darwin Gene Carter of Hamlin and Bryan Dutton of Anson.

MRS. L. B. MABERRY

McCaulley School Sophomores Honored At Ranch Party

When the sophomore class of McCaulley High School entertained last week, a ranch life theme was used in decorations. The social affair was held in the school gymnasium.

In charge of arrangements were Pat Rector, Margaret Davis, Donnie Cox and George Decker.

"Ranch hand" members of the class attending were Johnny Jeffrey, Robert Gartman, Norman Current, Jack Moulton, Leon West, Sonny Montgomery, George Decker, Jean Kean, Jo Ann Ferguson, Palma Lawlis, Pat Rector, Mary Lou Maberry, Aletta Cook, Margaret Davis, Donnie Cox and Joyce Jeffrey.

Other guests were Superintendent and Mrs. T. E. Green and children, Kerry and Melvin; Mr. and Mrs. Fred Kemp and daughter, Ann; Norma Garnett, Donald Kidd, Sandra George, Peggy Jenkins, Tuffy Ford, J. R. Rhoten, Calvin Fought, Derwin Maberry, Monty Tucker, Bryan Hennington, and Lloyd Tabb.

Mrs. Fred Kemp is sponsor of the class.

HESITANT ABOUT IT.

Sunday School Teacher—"All who would like to go to heaven put up their hands."

All hands went up but one, and then a childish whisper was heard, "Put up your hand, Johnny. You don't have to go now."

FIRST SNOW—A light snow fell in the northern and western sections of Texas last week-end, the earliest date for snow in the region in many years. Martha Davidson in

the picture above makes note of the occasion by writing in snow on the back of a car in Dallas. Miss Davidson of Tiooga is a student nurse at Parkland Hospital.

The ideal gift for every occasion is a book. If we don't have the title you want, we'll get it. Try us at The Book Shop, telephone 63.

The national average case rate for polio is 22.1 per 100,000 population.

During 1950 county chapters in Texas of the National Foundation for Infantile Paralysis spent \$1,140,564.13 caring for polio victims.

This year . . . send personal Christmas cards; monogrammed while you wait, at The Book Shop, phone 63.

Eastern Star Chapter Entertains Visitors From Six Towns

Honoring guests from six other chapters, the Hamlin Eastern Star Chapter 460 entertained Monday evening with a program on "Friendship."

Visitors were received into the chapter room, which was beautifully decorated with chrysanthemums in unusual arrangements. Mrs. Ruth McCurdy, worthy matron of the Hamlin order, presided during the evening.

Included among the guests were two grand officers, Mrs. Della Mae Moore of Abilene and Mrs. Nina Headrick of Sweetwater, who were introduced.

Officers and members entertained visitors with songs, drills and an impressive program on friendship.

Guests were present from Abilene, Anson, Big Spring, Rotan, McCaulley and Sweetwater. After the program, all guests were introduced and then invited into the dining room, where refreshments of cherry pie, ice cream and coffee were served from a beautifully decorated dining table.

The ideal gift for every occasion is a book. If we don't have the title you want, we'll get it. Try us at The Book Shop, telephone 63.

In every county in Texas there is a volunteer chapter of the March of Dimes organization that helps with patient care of polio victims.

Mothersingers to Be Organized Here

Mothersingers, a musical choral organization sponsored by the National Congress of Parent-Teachers, is being organized in the Hamlin community, according to leaders in the movement.

All parents and patrons of the Hamlin Parent-Teacher Association are invited to meet Monday evening, November 12, at 7:00 o'clock in the Comrades Sunday School class room at the First Methodist Church for further discussions of the organization.

Mrs. Doyle Blackford, public school music teacher, will be director of the group and Mrs. Marvin Carlton will be accompanist. Committee for organization is composed of Mrs. Bob Nunley, Mrs. Art Carmichael, Mrs. Ed Rodgers and Mrs. Leslie Sheldene.

The best reducing exercise consists of placing both hands on the dining room table and pushing back.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or money refunded. Creomulsion has stood the test of millions of users.

CREOMULSION
relieves Coughs, Chest Colds, Acute Bronchitis

ILLNESS TO ORDER.

One of those society women with persistent ailments had been pestering a busy physician. When she showed up for her sixth call, she inquired of the doctor:

"Don't you suppose I have a nervous condition, doctor?"
"No," came the answer, "not the slightest trace of it, but here is a medical book with a whole chapter on nervous disorders. I'd suggest you take it, read it, pick out an ailment you'd like to have, and then start working on it."

Two-dollar bills are bad luck—only if you don't have enough of them.

Oleta Kite and James H. Madden Wes in Saturday Rites at Stephenville

Marriage of Della Oleta Kite, sister of the groom, and Mrs. Henry Madden was solemnized at Stephenville Saturday in a double ring ceremony at the home of the bride's mother, by Father E. F. Fidel of San Angelo.

Parents of the couple are Mrs. Della Kite of Stephenville, R. L. Kite of Hamlin and Mr. and Mrs. Ed A. Madden of Carmi, Illinois.

Vows were exchanged before an arch decorated with huck and yellow chrysanthemums, banked with palms. Ivory tapers in candleabra on either side of the arch lighted the setting. Delbert Kite, brother of the bride, lighted the candles.

The bride wore a gown of ivory candlelight satin, fashioned with a shepherdess neckline of alencon lace. The fitted bodice was complemented by long sleeves which came to petal points at her hands. The full gathered skirt was ankle length. Her opera pumps were of matching ivory satin.

The bride was attended by her sister, Mrs. Charles Rogers of Comanche, matron of honor; Mrs. Betty Daniels of San Antonio,

former Hamlin girl, and James H. Madden was solemnized at Stephenville Saturday in a double ring ceremony at the home of the bride's mother, by Father E. F. Fidel of San Angelo.

They wore gowns in autumn brown shades designed on princess line with sweetheart neckline and carried bronze pom-poms with croton leaves.

E. A. Blanchard served as best man.

At the reception that followed, the bride's table was laid with an imported hand-woven linen cloth. Maiden's hair fern and bronze chrysanthemums encircled the punch bowl and tiered cake. Mrs. Bruce Shigley of Carmi, Illinois, and Mrs. Delbert Kite of Jal, New Mexico, presided at the silver service.

For a wedding trip to New Orleans, Louisiana, the bride chose a grey dressmaker suit by Hand-macher, with black velvet accessories, and wore a gardenia corsage.

Mrs. Madden graduated from Hamlin High School, where she was a member of the Junior Literary, Junior Schubert and the Sub Deb Clubs.

Mr. Madden is a graduate of Carmi High School and the Uni-

Rotan P-TA Leader Speaks Thursday at School Gathering

Mrs. Dan Posey, chairman of the Rotan Parent-Teacher Association council, was guest speaker Thursday afternoon at the Hamlin P-TA meeting. Mrs. Posey spoke on "How Morale Is Built."

Mrs. L. B. Maberry, representing the business and professional women of Hamlin, brought the thought for the day.

Students from the third grade furnished entertainment for the meeting. Third grade teachers are Odean Murphy, Mrs. Minnie Wilson and Viola Avants.

Mrs. E. W. Grienecks, Parent-Teacher Association president, presided during the business session that followed the program.

Mrs. Novel Baize, membership chairman, thanked the teachers and parents for their cooperation during the recent membership drive. She announced Mrs. Olivia Griggs' sixth grade as winning first place in the drive with 128 members. Second place was a tie between Harriett Evans' fifth grade and Lulan Vaughn's seventh grade.

In the primary grades, first place was won by Mrs. Harold Williams' first grade, and second place by Lottie Wade's second grade.

Mrs. Grienecks was elected as the Hamlin PTA's representative to the National Parent-Teacher Association convention to be held at Dallas November 14, 15 and 16.

Refreshments were served to approximately 100 at the close of the meeting.

Members of the Nowetompattim-min group of Camp Fire Girls served as baby sitters for mothers during the P-TA meeting. Mrs. Nadine Westmoreland is leader for the girls.

Our stock of Volland greeting cards is complete for family, friends and casuals. If it is a card you want, we have it at The Book Shop, phone 63.

Mrs. S. G. Carruth of Port Arthur visited her mother, Mrs. Etta Stephenson, and sister, Mrs. Virgil Steele, and other relatives over the weekend. Mrs. Carruth also attended the homecoming of Hardin-Simmons University exes at Abilene Saturday.

University of Illinois. He served in the Army. The couple will make their home at Rotan.

Womans Literary Club To Stage Art Exhibit

Members of the Woman's Literary Club of Hamlin met Friday afternoon in regular session in the home of Mrs. John Ferguson. Subject for the afternoon's program was "Toward 1952 Election."

It was voted by the group that the club send a CARE package to Korea.

It was announced that November 16 will be observed with a guest day tea at the First Methodist Church. Local artists will have an art exhibition in connection with the tea.

Following the club session, the art exhibit will be open to the general public from 5:00 to 7:00 o'clock.

Guy Daniel to Wed In San Antonio Rites

Mr. and Mrs. G. A. Daniel of Hamlin will attend the wedding of Guy B. Daniel at San Antonio Saturday night.

Bride in the ceremonies will be Billie Jean Hubbard of San Antonio.

Barton H. Daniel and Truett A. Daniel, brothers of the bridegroom, also will attend the wedding.

Wedding invitations at Herald!

Alathean S. S. Class Stages Hallowe'en Party Last Week

Members of the Alathean Sunday School Class of the First Baptist Church enjoyed a party given in the home of Mrs. T. W. Flenniken last week. Other hostesses were Mrs. Cecil Brown and Mrs. Sybil Watson.

Mrs. Edgar Duncan was a guest and was in charge of the party until the attendants were unmasked.

Prizes were awarded to Mrs. J. H. Fitzgerald and Mrs. Edward Gardner for the best costumes.

Several games were played under the direction of the fellowship vice president.

The Flenniken home was decorated in the Hallowe'en motif.

Present for the masked party were: Mrs. Edgar Duncan, Mrs. Jimmy Richardson, Mrs. J. H. Fitzgerald, Mrs. Leslie Shelburne, Mrs. Sybil Watson, Mrs. Cecil Brown, Mrs. T. W. Flenniken, Mrs. J. F. Maxwell, Mrs. Edward Gardner.

Next meeting of the class will be a Thanksgiving luncheon.

Our stock of Volland greeting cards is complete for family, friends and casuals. If it is a card you want, we have it at The Book Shop, phone 63.

Mrs. M. H. Bond Hosts Class Meeting

Mrs. M. H. Bond was hostess last Thursday evening to members of the Fidelis Sunday School Class of the First Baptist Church.

Mrs. Willard Jones brought a devotional on "Stewardship."

After a short business session with Mrs. A. Spencer presiding in the absence of the president, the members enjoyed a fellowship hour.

The hostess, assisted by Mrs. Virgil Steele, served a refreshment plate of sandwiches, fruit cake and coffee to: Mrs. A. Spencer, Mrs. Carl Young, Mrs. J. B. Britton, Mrs. Alma Brewer, Mrs. J. T. Morrison, Mrs. Willard Jones, Mrs. C. L. Morgan, Mrs. Tom Watson, Inell Huff, Clara Woods and Jewel Galey.

Mr. and Mrs. Fred Scales of Bakersfield, California, were visitors in the home of Mr. and Mrs. Everett Townley this week. Scales recently returned from a stay at the North Pole on a government project.

Millers Entertain Church Young Folks

Mr. and Mrs. L. V. Miller were hosts Sunday evening after regular services to young people of the Church of Christ in a fellowship hour.

After games were played, refreshments were served to Robert Bonner, W. H. Hallmark, James Eddy Jay, Rodney Spaulding, Marilyn Fletcher, Jeannette Adams, Patrnia Daniels and Quata Miller.

V. F. W. Auxiliary to Give Church Wreaths

Ladies' Auxiliary of the Veterans of Foreign Wars met Thursday evening of last week at the post home, with Mrs. Zelma Perryman, president, in charge.

Celebration of Armistice Day was discussed. It was voted that a floral wreath be sent to each of the churches of the city in observance of the day and in memory of servicemen deceased.

It was reported that the box supper for the benefit of the Gonzales Warm Springs Foundation netted \$111.30.

Present were Mmes. Mable Riley, Zelma Perryman, Mary Dee Hymer, Edith Ely, Lillie Yates, Sarah Gold, Juavita Roberts, Jean Watson, Inell Huff, Clara Woods and Jewel Galey.

Mr. and Mrs. Fred Scales of Bakersfield, California, were visitors in the home of Mr. and Mrs. Everett Townley this week. Scales recently returned from a stay at the North Pole on a government project.

Future Homemakers From Hamlin Slate Playlet at Meeting

"And the Lamp Went Out," a skit in pantomime, will be Hamlin's contribution to the Future Homemakers of America meeting when representatives of District 1 of Area IV meet at Seymour Saturday. The meeting will climax national F. H. A. Week.

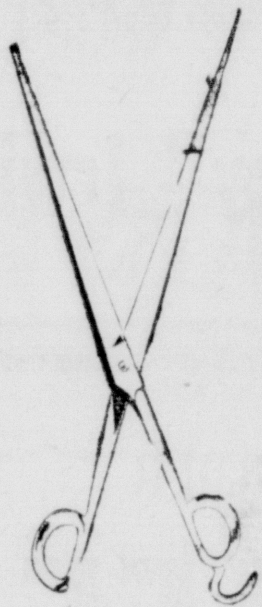

Those who will present the skit are Vera Tidwell, Allene Reynolds, Barbara Durham, Ella Mae Turner, Atha Lea Grice and Billie Putnam. Others from Hamlin who will attend are Laverne Meeks, Shirley Nelson, Jeanne Jones, Norma Jo Murff, Margaret Wilson and the two sponsors, Mrs. John Kee and Mrs. James E. Simmons.

The Hamlin chapter of the Future Homemakers Association began F. H. A. Week Sunday by attending services at the Church of Christ in a group.

The barn or screech owl is often called the "feather cat" because it is a great foe of mice.

Today as we pay silent homage to those who gave their lives that we might continue to enjoy Democracy, let us rededicate ourselves to a continuation of the principles for which they fought. We have freedom at the polls, freedom to participate in civic activities and, above all, freedom of thought and speech. Let us exercise privileges of democracy wisely and to the fullest of our abilities—for this is the best way we can prove they did not die in vain.

We will be closed all day MONDAY, NOVEMBER 12 in observance of Armistice Day. Please arrange your banking business accordingly.

Babson Says Taxes for Aged Pensions Becoming Major Problem for Citizens

In 1850 there were 11 workers under 65 years of age for every worker over 65 years old. Gradually the number of workers over 65 has increased until now in 1951 there are only five working adults under 65 for every adult over 65 years of age. Projecting this trend to 1960 we find there will be only about three working adults for every older. If we project to 2000 A. D., which is only 50 years hence, fantastic conclusions are indicated. The time can come when the idle retired population will be greater than the young and middle aged workers who must pay the taxes to support them.

The vast majority of people over 65 will never own sufficient income producing property to live on. Even though practicing thrift

all their life long, they can lack the ability to invest advantageously and establish financial independence. Hence, most aged citizens must rely on their children or on pensions.

Many persons think the problem of the aged can be disposed of by voting in favor of whatever pensions are demanded; but this is only like pulling yourself up by your "boot straps." Distribution of vast sums of money by the government to any group, whether oldsters, veterans or farmers, means making it harder for the other groups, unless offset by a corresponding increase in the production of goods and services.

The oldsters are becoming a formidable political pressure segment. They have made California a pensioner's paradise. Political proposals on behalf of older citizens are often foolishly supported by members of the younger generation. They welcome the opportunity to shift to the state the

Mr. Babson

Mrs. J. W. McCrary Entertains Melody Club with Party

Mrs. J. W. McCrary entertained members of the Melody Club last Wednesday with a Halloween party.

The meeting was called to order by Jo Nell Matecha, club president. Rheta Fay Smith played "Home on the Range" on the piano, and Lou Ree Vaughn rendered three numbers on the accordion. Several musical games were played.

Refreshments of sandwiches, punch and cup cakes were served to the following members and visitors: Melba Carlton, Lou Ree Vaughn, Carolyn Barnett, Pauline Mayfield, Phyllis Hollis, Jo Anne and Carolyn McIntyre, Lupe Lujan, Patsy Kelly, Alice Holden, Ann Maberry, Peggy and Delores Killian, Phela Fay Smith, LaNell Matecha, Lou Ann Hawkins, Martha Jane Gage and Rebecca Ann Ferguson.

B. & P. W. Group Feted at Thanksgiving Program Tuesday

Fifty-six members and guests of the Hamlin Business and Professional Women's Club enjoyed a Thanksgiving dinner and program at the meeting Tuesday evening.

The program was on a radio program theme with Marguerite Richardson as announcer. Mrs. Earl Brown gave a talk on "Customs of Thanksgiving," and Mrs. Bob Nunley sang "The Lord's Prayer." Mrs. Marvin Carlton was her accompanist.

In the short business session a review of the five state amendments that are coming up for election November 13 was given by the legislative committee. All members of the club were urged to vote—one way or the other.

Topics for state programs for the club were reviewed by Mrs. Simmons and voted on by the club.

Mrs. W. D. Cooper has just returned home from a two-week visit with friends and relatives at Taylor, her old home town, where she met many of her school day friends, and also had the pleasure of attending a homecoming of those who were school children at Taylor 30 and 40 years ago.

This year . . . send personal Christmas cards; monogrammed while you wait, at The Book Shop, phone 63.

If you want to see 90, don't look for it on the speedometer.

cess senile population need ever be necessary.

In a free capitalistic society productivity per worker can be multiplied indefinitely. It is amazing how many labor saving machines and labor saving methods of distribution can be devised when needed. The solution lies with young workers using improved machines and methods and producing not only an abundance of goods for themselves and their children, but also an abundance for the leisure class of retired oldsters. One thing more—even more than economic security oldsters need the respect and sympathy of their descendants. Old people hunger for a share in the social and spiritual life of the young even more than for a share in the wealth!

K. S. Lang Purchases Irvin's Drive-Inn Cafe

Sale of the Drive-Inn Cafe to K. S. Lang was announced last week-end by A. G. (Jimmy) Irvin, who has operated the business the past 10 months. Lang took immediate charge of the place.

Formerly of Hamlin, Lang had operated Bob's Barbecue near the Ferguson Theater. He recently has been living at Haskell.

Associated with Mr. and Mrs. Lang in operation of the concern, which will be known as Lang's Drive-Inn, will be Mrs. Marie Boatright, Mrs. M. L. Waters, Mrs. Ima Jean Slaughter and Mrs. C. B. Phenix.

Irvin said this week that he had made no definite plans for the future.

Service S. S. Class Meets in Luncheon Session Thursday

Members of the Service Sunday School Class of the First Baptist Church were entertained in their regular monthly luncheon and business meeting last Thursday evening. Mmes. Roy Carmichael, John Howard, Johnny Lines and E. C. Davis were hostesses.

Mrs. Joe Dutton gave the devotional to open the meeting.

Members present were Mmes. Paul Bryan, H. O. Cassle, J. W. Hines, Roy Carmichael, Frank Williams, John Howard, E. C. Davis, Joe Dutton, W. S. Graham, C. C. Prater, W. C. Weir, W. R. Terry, W. R. Wilkerson and Miss Alice Willis; an ex-member, Mrs. Hattie Richardson; and visitors, Rev. Miles B. Hays and Johnny Hines.

Wayne Daniels Gets McMurry Club Post

Wayne Daniels, sophomore student at McMurry College from Hamlin, has been elected historian of Ko Sar, men's social club.

Daniels is the son of Mr. and Mrs. John B. Daniels. He is a member of the McMurry College Band.

John Walton and family of Hereford spent the week-end with homefolks in Hamlin.

Beta Theta Chapter Gives Dinner for Husbands and Pledges

Beta Theta Chapter of Beta Sigma Phi held its annual pledge initiation dinner Thursday evening. Members and pledges had their husbands as special guests for the evening.

A dinner plate of chicken and dressing with all the trimmings was served by candlelight in the Hamlin High School cafeteria.

Immediately following the dinner, members, pledges and guests met in the home of Mr. and Mrs. C. Weldon Griggs where informal initiation ceremonies were held in one part of the house, while Mr. Griggs entertained the husbands in another part of the house. Attendees reported an enjoyable evening.

In attendance were Mr. and Mrs. Jim Ballard, Mr. and Mrs. John C. Bryant, Mr. and Mrs. J. N. Burditt Jr., Mr. and Mrs. Weldon Carlton, Mr. and Mrs. Bill Feagan, Mr. and Mrs. Stanley Carmichael, Mr. and Mrs. W. T. Johnson, Mr. and Mrs. Bob Nunley, Mr. and Mrs. George Poe, Mr. and Mrs. Cliff Reynolds Jr., Mr. and Mrs. Jerry Waggoner, Mr. and Mrs. Toby Williams, Dr. and Mrs. M. L. Smith, Dr. and Mrs. E. D. Perrin, Dr. and Mrs. E. J. Hawkins, Mr. and Mrs. C. Weldon Griggs, Mrs. Austin Poe, Mr. and Mrs. Perry Sparks.

GROWING IN KNOWLEDGE.

"I suppose you got the best part of the turkey?"

"You bet. But I was 14 years old before I knew a turkey had anything else but a neck."

Thanks, Folks, For Your Past Favors - - -

We have just sold the Drive-Inn Cafe to K. S. Lang, a former Hamlin resident, who is known to many of the good people of this area. He has assumed charge of the place, and is prepared to serve the public with fine foods prepared as you like them.

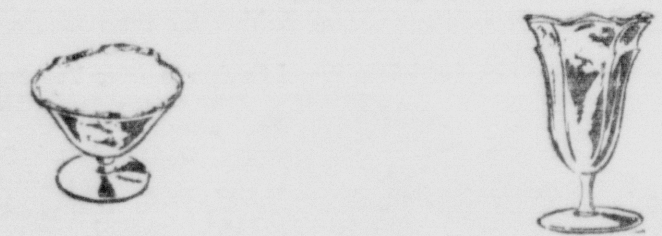

We heartily commend the Langs to Hamlin area folks. He is an experienced cafe man, who knows our former patrons will continue to eat with the place under the new management.

After 10 months of operation of the Drive-Inn, we would be ungrateful if we failed to express our sincere appreciation of the patronage of you good Hamlin area people. We shall not forget you.

REMEDIES FOR THE SNIFGLE SEASON

This is the season of the year when these changeable temperatures—from warm to cool, from cool to hot, and with the dust and the smoke blowing—invite colds, flu, rheumatism and other common ailments. The old saying that "an ounce of prevention is worth a pound of cure" holds true both ways. If you have a cold cure it before it goes into something more serious. And if you are well and healthy, stay that way by using the proper vitamins to maintain and keep your strength and vigor. We have numerous items that are economical and recommended by many reputable physicians.

Health Officer Urges People to Insist on Sanitation in Cafes

Hamlin area people are reminded in a release to The Herald that the Texas State Department of Health cannot maintain daily inspection of all eating places and the public is urged by Dr. George W. Cox, state health officer, to insist on the proper sanitation of the establishments where they eat.

If the public is careless in this respect, the incentive to maintain clean food service will be lessened and operators will only maintain the level the public is willing to accept. He urged that the public patronize "eating establishments which measure up to a high standard of cleanliness."

FEELING MIGHTY FINE!

Law Student (just arrested for speeding)—"Hello, judge. How are you feeling this morning?" Judge—"Fine, \$30!"

is making every effort to improve sanitation of eating places, Dr. Cox said, and there is "no excuse for cafe owners not taking advantage of the food handlers' schools which are being offered all over the state." He added that there are laws, rules and regulations which require the use of approved equipment and methods in such establishments.

"The public should be aware of these sanitary rules and regulations and insist that restaurants observe them. Patrons should realize that tables and counters will be many times cleaner than the kitchen and other places out of sight," he warned.

He urged milk appraisal by the patrons also. Texas law requires that a milk bottle cap state the grade of milk, and whether it is raw or pasteurized. "Insist on having the milk served in its original container, with a covered and a legal label," Dr. Cox advised.

Superintendent at Rotan Elected Basketball Head

D. Y. McKinney, superintendent of Rotan School, was elected chairman of the District 5-AA basketball circuit at a meeting of school officials held in Rotan Thursday week.

Superintendent I. R. Huchingson and Assistant Coach Verman Townsend represented Hamlin at the gathering. Others attending were: McKinney and Coach D. V. Marcum of Rotan; Superintendent Ed Williams and Director of Athletics Clark Prather of Colorado City; Superintendent M. E. Stanfield and Coach Ernest Kinney of Snyder; Superintendent N. H. Touchstone and Coach J. P. Ward of Anson; and Principal John Dyer of Stamford, who was elected secretary of the group.

These officials will also direct girls' basketball play in the district.

A fee of \$5 has been assessed for membership, this to be used in purchasing trophies for the district winners in both boys' and girls' divisions at the end of the season.

All district games will be played on Monday and Thursday nights in the boys' division. Conference play opens Thursday, January 10.

District champions will be decided by double round robin play. Tournament play will determine the girls' champions.

Mr. and Mrs. Jess Miller, Mrs. Bryant Conner, Mr. and Mrs. B. H. Winters and Sherry spent three days at Shreveport, Louisiana, attending the Louisiana State Fair. They went to the national motorcycle races and the Louisiana wayside radio program. They returned by way of Arkansas.

There will always be a frontier where there is an open mind and a willing hand.—C. F. Kettering.

The CELOTEXAN

By MRS. O. R. CRISWELL

Mr. and Mrs. Eddie B. Hopper visited Lester Lee Hopper and wife at Sweetwater Sunday.

Mr. and Mrs. Bill Dornay and children attended a birthday dinner at the John Dornay home in Rule Sunday.

Mr. and Mrs. W. C. Lockhart visited their son and his wife, Mr. and Mrs. Ardenne Lockhart, at Abilene Saturday.

Mrs. Floyd Wallace visited with her parents, Mr. and Mrs. T. C. Galloway, and sister, Mrs. E. C. Robinson, at Ranger.

Mrs. S. P. Martin was a visitor of Mrs. O. B. Pace at Sweetwater Saturday.

Mrs. Normy Crowley was a visitor in the home of Mrs. W. W. Kelsey.

Mr. and Mrs. Roy Phelps and children have moved to Roby, where Mr. Phelps is employed and attends school.

R. L. Criswell and Roy Chapman of San Angelo were visitors of the Tom Campbells and O. R. Criswells over the week-end.

Mr. and Mrs. R. R. Christian visited Mr. and Mrs. A. Mize and Mr. and Mrs. Odell Mize at Anson Sunday.

Mrs. H. C. Carr Sr. of Lamesa is visiting the H. C. Carr family at Celotex this week.

Mrs. Johnny Hester spent the week-end at Lubbock visiting the Charlie Polks. Mrs. Polk had recently undergone a major operation.

Clifford Carr "sat in the cold" at Hamlin Lake fishing Monday. But he says it was worth while, as he landed a six-pound bass.

Voshel Ewing is doing fair in the Baylor Hospital at Dallas, according to reports. He had part of one lung and three ribs removed, due to an injury sustained several years ago.

Glenn Bond is a patient in the Rotan hospital.

Mrs. Lester Scott is home from a Rotan hospital. "Not well," she says, "but much improved."

Those in the Hamlin hospital are Mrs. T. N. Hemphill, Mrs. Gene Adams and Mrs. Ira Green.

Mrs. Helen Hester is home from an Abilene hospital.

Jerry Briscoe has been on the sick list.

Mr. and Mrs. W. O. Wilbanks and Mary Ann spent Monday evening with the R. S. Ragdales at Rotan.

Mr. and Mrs. Cooper and Mrs. W. R. Calhoun were visitors at Celotex last week.

Women of the missionary societies of the Methodist and Baptist Churches of Celotex met together at the home of Mrs. O. R. Criswell Monday afternoon. Following the Bible reading by Mrs. H. M. Rawlins and discussion by all women, prayer was given by Mrs. H. C. Carr, Mrs. W. W. Kelsey and Mrs. H. M. Rawlins. A

County in Stable Condition, State Rotary Speakers

Despite the ravages of weather that plagued the Hamlin area all the way in 1951, the section is in pretty fair economic condition, declared speakers at the Wednesday luncheon meeting of Hamlin Rotary Club.

W. R. Terry, Hamlin gin operator, said that about 20 per cent of the bolls remaining on cotton in the area were frozen by the early freezes of the last several days, and this cost the producers possibly 1,000 bales of cotton that might have matured if the freezes had been deferred to a later time.

Pickers are still needed in the section, Terry declared. Worst hit by the weather were areas south and west of Hamlin, he pointed out.

C. A. Grice, ginmer from Rule, said that cotton in that region is turning out better than in Jones County.

Tate May, Hamlin banker, said that the financial structure of people in the Hamlin vicinity still is stable, despite the necessity for considerable borrowing due to replanting and other reverses suffered by producers. But, he felt assured, the borrowers would pay out pretty well.

Don Elmore was recognized as the Junior Rotarian for the month of November.

Guests at the civic meeting included C. A. Grice of Rule, Robbie Robinson of Abilene and Rev. Miles B. Hays, pastor of the Hamlin First Baptist Church.

Only 37 shopping days till Christmas, and our shelves are loaded with lovely gift merchandise for your choosing. Visit us at The Book Shop, phone 63.

TUXEDO COMMUNITY NEWS

MRS. NOVEL BAIZE, CORRESPONDENT

Mrs. Roland Williams entertained her Baptist Training Union class with a Halloween party at the home of Mr. and Mrs. Ben Ashburn Monday night. The house was decorated for Halloween and most of the guests wore masks. After various games had been played, candy, candied apples and soda pops were served to the following class members: John T. Treadwell, John Arthur French, Joe Bennett, Mary Ann and Glenn Gilbreath, Yvonne Brown, Betty Lou and Reba Jo Vinson, Bennie and Eugene Parnell and other guests, were: Janice and Don Potter, Paige Baize, Mrs. Shorty Potter, Rev. and Mrs. Roland Williams and Jan and Mr. and Mrs. Ben Ashburn.

Mrs. C. E. Tacker of Avoca visited Mrs. J. H. Rivers Tuesday afternoon.

Those from Tuxedo who attended the Elementary School P-TA at Hamlin Thursday afternoon were: Mmes. Andy French, Ruper Raley, Walter Grimm and Novel Baize.

Oliver Street P-TA at Stamford sponsored a Fall Festival Tuesday night. Tuxedo people attending were: Mr. and Mrs. Ben Ashburn, Bennie and Eugene Parnell, Mr. and Mrs. Clinton Holmes, Eva June, Barbara Jo, Patricia and Freddie, Mr. and Mrs. Clyde Pritchard and Cherry, Mr. and Mrs. Willie Bennett and family, Mr. and Mrs. J. H. Rivers, Mr. and Mrs. Joe Carlton, Judy, Sarah Lou and Kate, Mr. and Mrs. Floyd Price, Don and Clea, Mrs. J. E. England, Mr. and Mrs. Leonard Sanders and Annette, Mrs. Edwin Pritchard, Sandra and Eddie, Mrs. Jess Treadwell, Carol and Kent.

Mr. and Mrs. Craig Stephens and sons, Mr. and Mrs. H. M. Phillips Jr. and sons, Mr. and Mrs. Oran Kennedy, Mr. and Mrs. Jack DeBusk and family, Mr. and Mrs. Homer Bennett and family.

Home Demonstration Club met Friday afternoon at the home of Mrs. J. H. Rivers with Mrs. J. W. Osment and Mrs. Clinton Holmes as assistant hostesses. A Christmas party was planned for December 14 at the club room. All the ladies and pre-school children in the community are invited. Mrs. J. W. Osment and Mrs. Ed Polnac gave a demonstration on "How to Fill the Cookie Jar." Refreshments were served to: Mmes. Ed Polnac, T. L. White, Joe Carlton, Walter Grimm, Jim Neuman Jr., and two visitors, Mrs. John Carlton and Bonnie Neuman.

Harvey Allan Rivers of Snyder was home for the Stamford-Anson football game.

Mr. and Mrs. James Bostick and sons, Randall and Reed, of Johnson, Kansas, spent Friday and Saturday with Mrs. I. L. Bostick. They left Sunday morning to visit Mr. and Mrs. Harold Bostick and family near Kress before returning to Johnson.

Mr. and Mrs. H. S. Stovall and sons, Johnny and George, of the Flat Top community were guests of Mr. and Mrs. Novel Baize and family Sunday afternoon.

Mr. and Mrs. LeRoy Kennedy of Hamlin visited Mr. and Mrs. Oram Kennedy Sunday afternoon.

Mr. and Mrs. Gayle Baize, Marlene and Van, spent Sunday afternoon with Mr. and Mrs. Bentley Baize and sons, Lydon and Stanley in Snyder. Bentley Baize left Sunday night to go to Marshalltown, Iowa, to have his eyes examined by specialists.

General and Mrs. Ray G. Harris of Wichita, Kansas spent the week end with General Harris' sister, Mrs. Ben Ashburn and her family. Mr. and Mrs. Ashburn and their grandsons, Bennie and Eugene Parnell, were guests of General and Mrs. Harris for dinner at the Wooten Hotel in Abilene Sunday.

The WSCS met Tuesday afternoon at the Methodist Church. Those present were: Mmes. J. G. Whaley, R. R. DeBusk, Howard Owens, Leonard Sanders, and J. C. Harwell.

Mr. and Mrs. Audie Baize and Gerald of Fort Worth visited here during the week-end.

Those who attended the All-District Meeting at St. John's Methodist Church at Stamford Sunday afternoon were: Mr. and Mrs. Andy French, Mr. and Mrs. Howard Owens, Rev. and Mrs. R. L. DeBusk, Nettie Beth DeBusk and

TEXANS WOUNDED—Soon after this picture was taken, all three Texas Marines were wounded in action in Korea. Left to right, they are: Private First Class Howard C. Smith, son of Mr. and Mrs. Howard Smith of Lufkin; Private First Class J. W. Looney, son of Mr. and Mrs. J. W.

Looney Sr. of Lufkin and Private First Class Joe G. Walker, son of Mr. and Mrs. J. H. Walker of Huntington. They are shown in a rest camp after 15 days of combat. They were all wounded when they returned to action. Extent of their injuries was not announced.

Three from Hamlin Attend Fashion Mart

Three fashion buyers from Hamlin attended the American Fashion Association spring and summer market this week in Dallas.

Some 5,000 women's apparel merchants filled all of the Dallas hotels to capacity for the market.

Attending from Hamlin were Mr. and Mrs. George Malouf of Malouf's Department Store, and Mrs. Elsie Withers from D. & H. Department Store.

Billy Lee of Anson.

Mr. and Mrs. Herbert Austin and son of Abilene were guests of Rev. and Mrs. Roland Williams Thursday night.

Mrs. O. L. Henry visited Mr. Henry at the Veterans' Hospital in Big Spring during the week-end.

Those who attended the Hamlin-Colorado City football game were: Mr. and Mrs. J. C. Harwell, Mr. and Mrs. C. S. Diggins and Linda Ann, Lou Ella Brigham, Laveta French, Jim Harwell and Paige Baize.

Rev. and Mrs. R. L. Kirk were dinner guests of Mr. and Mrs. R. DeBusk Sunday.

New Texas Almanac Records Immense Economic Progress of Last 10 Years

There has been almost as much economic progress in Texas during the last 10 years as in all preceding history, according to data in the 1952-53 edition of the Texas Almanac, which has just been issued by The Dallas Morning News.

Highest percentage of gain was scored by the manufacturing industry, which more than doubled during the last decade, as measured in employment and volume of physical production. The number working in Texas manufacturing plants increased from 163,978 in April, 1949, to 449,800 in June, 1951. All classifications of industry showed gains, but especially notable were developments of the chemical, aviation, and iron and steel industries.

Retail stores of the state now do approximately seven billion dollars of business annually as compared with \$1,803,716,000 in 1939. This leaves a wide margin of increase in turn-over of goods after allowing for price inflation.

These changes have been accompanied by an increase of 20.2 per cent in the total population from 1940 to 1950, and with an increase of 66.2 per cent in urban population. The great shift of rural to urban population consisted primarily of removal of tenant farmers to industrial centers.

Figures presented in the new Texas Almanac show comparable gains in civic, educational and cul-

tural activities. Changes in the public school system after two years under the Gilmer-Aiken act are presented, including tables giving data on all independent and common school districts.

About 10,000 subjects are covered in the new volume, including Texas history, population, government, politics and elections natural resources, weather, crops and livestock, industries, trade, transportation, finance, commercial services, recreation and athletics. A pronunciation guide to names of Texas counties, cities and towns is included. The new state senatorial and representative districts are shown.

All articles and maps for the 254 Texas counties have been revised to include new highways and other developments. A large fold-out map gives detail in four colors, including highways and railroads.

WRONG TERRITORY.

Voter—"Why, I wouldn't vote for you if you were St. Peter himself."

Candidate—"If I were St. Peter, you couldn't vote for me—you wouldn't be in my district."

The ideal gift for every occasion is a book. If we don't have the title you want, we'll get it. Try us at The Book Shop, telephone 63.

Santa Fe Carloadings Above Those for 1950

Santa Fe System carloadings for the week ending October 20, 1951, were 29,229 compared with 27,262 for the same week in 1950. Cars received from connections totaled 14,175 compared with 15,085 for the same week in 1950.

Total cars moved were 43,404 compared with 42,347 for the same week in 1950. Santa Fe handled a total of 41,292 cars in the preceding week of this year.

Love making hasn't changed in 2,500 years. Greek maidens used to sit and listen to a lyre all evening, too.

The ideal gift for every occasion is a book. If we don't have the title you want, we'll get it. Try us at The Book Shop, telephone 63.

No Immediate Tax Relief Seen in U. S. By Congressman Burleson, Lions Told

No immediate tax relief is in sight for the American people, in view of the vast programs of national debt-paying, aid for depression ridden countries and defense preparations.

This was, in substance, the official conclusion of leaders in Washington when he left the capital recently, declared Congressman Omar Burleson of Anson, who spoke at the Tuesday noon luncheon of Hamlin Lions Club.

Burleson, a member of the congressional foreign affairs committee, said that, in spite of any desires we might have to let the rest of the world attend to its own affairs, we are so dependent on the other nations for so much of our raw materials, we must have the world for our family.

"We are just whistling in the dark when we say that the two oceans that bound America are our protection. Modern science and warfare could certainly destroy our nation in short order if we become smug in our relations with the rest of the world," the congressman pointed out.

"We pride ourselves on telling the rest of the world how many bathtubs, autos, telephones and miles of railways and highways we have," he said, "but little do most of us realize that that 75 per cent of the raw materials needed in our national defense program are imported."

For example, Burleson declared that 500 pounds of nickel and 1,099 pounds of chromium are needed to manufacture one American tank, and practically every pound used in this country is imported. Fourteen pounds of manganese is necessary to manufacture a ton of steel, and all of this precious

material must be purchased outside of our own borders. We do not have any of the nine basic materials needed to make steel, he revealed.

"Russia, in contrast, controlling 34 per cent of the people of the world today, possesses all 15 of the basic materials needed to manufacture steel," Burleson reminded. "But, of course, our production ability and our possession of the atomic bomb definitely have avoided a third world war—and we want to keep it that way," he said in justifying our huge expenditures for defense preparation.

But economies are being put into being in Washington, the congressman declared. "We are going to get more value received for our dollars in the future by checking bids on materials, necessity of requisitions and by seeing that what materials are purchased are properly used in their intended spots," he said.

Turning to the Korean situation, Burleson declared that the action there is well founded—it was simply a case of our bluff being called. Where difficulties have resolved to war in Korea, we have avoided them in Jugoslavia, Trieste, Greece, Turkey and Berlin so far. In connection with the Far East situation he declared that our backing the return of Chiang Kai-Shek to China, which would have to be done with U. S. warships, would definitely incite all-out war.

President B. V. Newberry told the Lions Club members that plans for the ladies' night affair are shaping up. The get-together will be staged on the night of November 20 in the high school cafeteria.

Typical Menus for School Cafeterias Show Balanced Foods

Menus for children eating at the Hamlin schools' two cafeterias continue to feature balanced meals of nourishing foods.

Below are the menus for next week, typical of those being served regularly:

Monday November 12—Armistice Day holiday. No meals to be served.

Tuesday—Pimento-cheese and tuna sandwiches, potato chips, English pea salad, milk, peanut butter cookies.

Wednesday—Salmon croquettes, potato salad, green beans, hot rolls, apricot cobbler, milk.

Thursday—Frito pie, Mexican beans, creamed cauliflower, bread, brownies, milk.

Friday—Hamburgers, potato chips, carrot salad, iced cake, milk.

Singing Set at Calvary Baptist Church Sunday

Regular second Sunday singing for Hamlin area people will be held Sunday afternoon at Calvary Baptist Church, according to officials of the group.

Singing will get underway at 2:00 o'clock. Everyone is invited to attend the songfest.

HERBST FALLBEARERS.

Pallbearers at the funeral of Dave J. Herbst conducted Friday week, on which an article appeared in last week's Herald, were: J. F. Vaughan Sr., M. F. Holmes, Wayne Hodnett, Banks Green, J. E. McCoy Jr., Jack Vaughan, Raleigh Bond, Tate May, Ted Russell, Roy Bruner, Watts Fletcher, John Turner, Oscar Jenkins, Tip Turner, Woodrow Goodman and W. C. Eoff.

OH, COME NOW, MADAM! "Well, anyhow," bragged the husband when his wife nagged him about fixing the screen door, "when I fix things, they stay fixed."

"I say they stay fixed," snorted the wife. "When you fixed that cuckoo clock, next morning that cuckoo bird he come out backwards an' yell, 'W'at time is it?'"

Many a man would reach a greater height if he had more depth.

McCAULEY NEWS

By RUBY PERRYMAN

McCauley Home Demonstration Club met with Mrs. Oliver Lee last Thursday afternoon. No program was rendered, but a demonstration was given by Home Demonstration Agent Miss Kinsey on "Personality Growth and Development." The club adjourned to meet Thursday, November 15, for a covered dish Thanksgiving dinner at the home of Mrs. Louis Boyd, formerly scheduled to be at the home of Mrs. Ray Maberry. Refreshments were served to the following: Mrs. Nelda Colclazer, Mrs. Ruth Crane and Mrs. Lee Johnson, members; Mmes. Carroll Lee, Tom McCasland, Glenn Henderson, Hallie McFatter, Willie Fancher, Jim Fancher, Della Fancher, Ted Abbott, Ben Kemp, Fred Kemp, Frank Kemp, Ray Maberry, A. G. Smith, Luther Maberry, Louis Boyd and the hostess, Mrs. Oliver Lee, members.

Mrs. Al Shipman of Seminole came home with her parents, Mr. and Mrs. George Maberry, for a few days' visit.

Jean Bowen became the bride of Frank Newman Saturday at the McCauley Baptist Church. The bride is the daughter of Mr. and Mrs. E. N. Bowen of McCauley, Mr. and Mrs. E. M. Newman of Sylvester are parents of the bridegroom. Rev. L. R. Stuckey, pastor, read the rites. Sarah Kean played the wedding march. Betty Redwine of Haskel, the soloist, sang "Because" and "The Lord's Prayer." Kenneth Reed of Carlsbad, New Mexico, brother-in-law of the bride, and Don Justice of Roby were ushers. The bride, given in marriage by her father, wore a pink taffeta with brown accessories. Her traveling suit was light gray with brown accessories. She carried a white Bible adorned with white carnations and pink rosebuds. Mrs. Kenneth Reed of Carlsbad, New Mexico, was her sister's only attendant. Her dress was blue with black accessories, and she wore pink and white carnations. Robert Clark of Sweetwater, brother-in-law of the bridegroom, was best man. The bride's bouquet was caught by Donnie Nell Cox.

A reception was held in the church following the wedding. The church was decorated with gladiolus and palm leaves.

McCauley High and Grade Schools staged their annual Halloween Carnival for the raising of funds for the school. Gross of \$415.07 was raised in all of the booths and snack bar.

The coronation took place after the first part of the carnival. The queens were: Margaret Davis, high school, and her king was Johnny Jeffrey; and for the grade school queen Fayma Downey was selected and the king was Julius Decker. Mrs. Luther Rector was receptionist for the coronation. Pat Rector was master of ceremonies.

The homemaking class operated the snack bar; the freshmen had the dart board; the seniors had the bingo table; and Mrs. Cecil Woods was in charge of the dominoes.

Mr. and Mrs. Eugene Bailey are proud parents of Rhonda Jean who arrived October 27. She weighed six pounds 14 ounces. Mrs. Bailey was the former Ina Pearl Wishert.

Sandra Beth Woodson of Sweetwater spent Saturday night and Sunday with her grandparents, Mr. and Mrs. J. S. Woodson.

Rev. and Mrs. L. R. Stuckey attended the funeral of Mrs. Stuckey's aunt Monday. Roy Hennington filled the pulpit at the Methodist Church Sunday night. Mr. and Mrs. George Maberry and children visited Mr. and Mrs. Al Shipman at Seminole. They also visited at Hobbs and Brownfield. At Lamesa they visited Mrs. Dan Maberry, mother of Mr. Maberry.

Royston Home Demonstration Club gave a party in the home of Mrs. Roy Carricker Friday night. Jim Faught won the quilt which had been hand painted by members of the club in a ranch design.

A birthday party honoring Calvin Faught was given in the home of Mr. and Mrs. Dalton Cleveland Thursday night. The birthday cake, the center of the table decoration, was covered with a white frosting, red roses and 18 candles. Place favors were snow men made of marshmallows and colored tooth picks. Guests were Margaret Davis, Calvin Faught, Bonnie Sipes, John Ed Faught, Donnie Nell Cox, Bryan Hennington, Pelma Lawlis, Debra Maberry, Joyce Jeffrey, Bill Glenn Polk, Ruth Cleveland, Herbert Moore and Wilma Davis. Visiting in the home of the Carroll Lees were their daughters, Mrs. Lelia Reynolds and daughters, Linda and Barbara, of Clovis, New Mexico, over the week-end. Mr. and Mrs. Leo Emmett of Beloit, Kansas, visited 10 days in the Lee home.

LOCALS

Mrs. Robert Kneer of Hamlin accompanied her brother, Roscoe Gillean of Stamford, Sunday to Big Spring. There they visited their parents, Mr. and Mrs. Gillean.

H. A. McWright of Lubbock is in Hamlin transacting business and visiting friends this week.

J. W. Harless of Dallas is spending the week in Hamlin on business and visiting friends.

Mr. and Mrs. A. W. Gray left Monday morning of this week after visiting friends and tending to farming interests in Hamlin for a couple of days.

The National Foundation for Infantile Paralysis has sent \$5,295,723 from the March of Dimes epidemic aid fund to county chapters over the nation after their local funds for treating patients were depleted.

Safety by Rotan Means Victory in Snyder Tilt, 14-13

The Yellowhammers of Rotan High School added their second conference win to their belt Saturday night by scoring a safety at the right time and winning over the Snyder Tigers, 14 to 13.

The tilt was played at Snyder Saturday night after their Friday night engagement was cancelled because of the extreme cold.

Probably outplayed on the field most of the night, and trailing the Snyder delegation by one point, the Yellowhammers scored the safety by tackling a Snyder player behind their goal line.

Both teams had tallied two touchdowns each, and Snyder had kicked one of the extra points, but the Yellowhammers had failed in both their extra point attempts.

The Herald understands by the grapevine that a protest of the safety has been filed by the Snyder school officials which if upheld, would forfeit the game to Snyder. Basis for the protest is said to be based on an alleged incorrect ruling by the referee of the game.

Gamile Hassen Gets University Play Part

Gamile Jimmie Hassen of Hamlin has been named a member of the student production staff of "Juno and the Paycock," to be produced by the department of drama at the University of Texas in Austin, November 7 to 17.

Miss Hassen, a senior drama student, is a member of the Curtain Club, student dramatics group. She is the daughter of Mrs. B. Hassen of Hamlin.

Winning an argument is the best way to lose a friend.

Don Rowland to Play in Final McMurtry Tilt

Donald Rowland, Hamlin grid man who plays in the right end position for the McMurtry College Indians, has been named as a starter in the Redskins' homecoming game against the Howard Payne Yellowjackets Saturday night at Abilene.

It will be the Indians' final Texas Conference game of the season and their last chance to get out of the No. 4 spot in the standings. A win over Howard Payne might possibly mean a tie for third place, depending on the other wins and losses of the conference.

Pipers Meet Yellowhammers on Rotan Grid Friday Night

Teams Fighting For Runner-Up Spots in District

After their unexpected loss last Friday night to the Colorado City Wolves, Hamlin's Pied Pipers were squaring away this week for their next football engagement—slated Friday night with the Yellowhammers of Rotan High School. The tilt will be played at Rotan.

Friday night's battle should see two well matched eleven fighting for the also-ran spots in District 5-AA standings. Hamlin has the most impressive all-season record with five wins out of eight games, while Rotan has won only three games out of the same number of engagements. However, in the district race, Rotan has won two out of three, while Hamlin has taken one out of three.

Cold weather has hampered the Pipers' work-outs this week some, but Coach Jesse Burditt's boys were primed for their next-to-last conference melee with a determination to win.

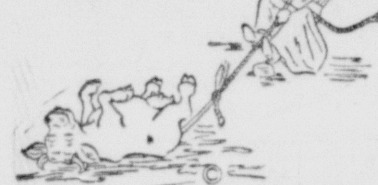

Deer Hunters Prime For Hunts Next Week

Several deer hunting parties were being organized in Hamlin this week for the opening day of the white-tail season which will get underway next Friday morning.

New hunting spots were being sought for several Hamlin hunters whose long-term lease in the Mason country expired with last year's hunts.

Non-District Grid Games Hold Interest Of Fans at Hamlin

Besides the District 5-AA games that were holding first place interest of Hamlin area fans, several other football tilts in the region furnished plenty of concern.

Albany High School's Lions last Friday night soundly thumped the Roby Lions to the tune of 38 to 12 in a District 8-A session at Albany. Merkel, which the previous week had stopped the Roscoe Prowboys, continued their winning ways by taking their conference match at Haskell by a 27 to 7 score, even though the Indians made 16 first downs to the Badgers' seven. Roscoe held a field night at Munday and walked away with the district tilt, 48 to 12. Clifford Burnett marked up four of the Roscoe touchdowns.

Watch for our ad next Friday, the 16th—something new and lovely will be on display at The Book Shop, phone 63.

Stamford Keeps Winning Streak to Blank Tigers 20-0

Those Bulldogs from Stamford High School continued their forward march toward football glory Friday night by trouncing the Snyder High School Tigers to the tune of 20 to 0 on the Bulldog stadium. It was Stamford's seventh straight victory this season, and their second conference win.

Starting the Bulldog machine to rolling, Tackle David Bashford blocked a kick by Snyder's Halfback N. J. Harrison on the five-yard line when the game was only three minutes old. End Johnny Webb fell on the ball over the Snyder goal for a touchdown.

On the first play of the second quarter Halfback Paul Phy skinned left end for 10 yards and the second score. The march for the marker had begun on the Snyder 40-yard stripe. Quarterback Eldon Moritz kicked the extra point and the half ended with the score at 13 to 0.

Wayne Walsh, subbing for the marker had begun on the Snyder 40-yard stripe. Quarterback Eldon Moritz kicked the extra point and the half ended with the score at 13 to 0.

Snyder threatened to score in the final period when they made a first down that carried the ball to the Bulldog five-yard line. But four tries failed to push the oval over, and the Bulldogs took over the ball from there.

Paul Phy and Kenneth Lowe were chief sparkplugs in the Stamford attacks, while Tackle Bashford, End Webb and Guard Charlie Davis standouts on defense in the line.

Halfback Harrison and Quarterback Burney Higgins led the Snyder attack, while defensive stars were Guards Armit Hegenheiser and Don Keller and End Billy John Voss.

Stamford racked up nine first downs to five for Snyder, and garnered 259 yards rushing while the Tigers made only 71 yards.

The Mississippi River was formed during the latter part of the Ice Age, at least 20,000 years ago.

GRID FAN—Four Baylor University football players visited Jimmy Newton, nine, in a Dallas hospital. Jimmy is fighting against polio in an iron lung. After learning he was one of their most ardent supporters the players visited

him. End Harold Riley, Jimmy's friend, presents him with the football used in Baylor's 21 to 21 tie against Texas A. & M. It was autographed by the team. Other Baylor players are Co-Captain and End Stanley Williams (standing,

left) and kneeling (left to right) Co-Captain and Linebacker Gale Galloway and Quarterback Larry Isbell. Jimmy's mother, Mrs. Florine Newton of Henderson, is at right, looking on the eventful ceremonies.

Anson Takes Lead In District by 12-7 Win Over Stamford

Anson High School's Tigers settled the proverbial fued with the Stamford Bulldog eleven Friday night and went into undisputed lead for District 5-AA by trouncing the Stamford crew to the tune of 12 to 7.

But the game, played in sub-freezing weather at Stamford, was anything but Anson's until the final period. In fact, Stamford scored first in the second quarter after the two teams had passed and sneaked and held each other for downs several times in the first quarter.

Difference in the score was the passing arm of Anson's Kenneth Helms and a couple of receivers by the names of Eugene Steel and James Bowen.

Four bad fumbles lost by Stamford gave the Tigers that many free chances to score.

Early in the third period Kenneth Lowe scored for Stamford after the Tigers were held for downs and a drive put the ball on the 19 after several line plays. Eldon Moritz kicked the extra point to give Stamford the lead, 7 to 0 when the quarter ended. Anson came back in the second

period after an apparent poor showing in the initial quarter. Don Watts returned the Stamford kick-off from his own 11 to the 48-yard marker. Willie Goza ran around end to the Stamford 38, and Helms and Kenneth Scott edged on to the 26. Goza then went over from the 17 for the tally. Wayne Connell missed the try for point. The half ended 7 to 6 in favor of Stamford.

In the third period Anson gained steam and after a series of passes and runs, Helms passed to Steel for the Anson second and winning tally. The kick was blocked, and the game ended 12 to 7 in favor of the county seat boys.

Only 37 shopping days till Christmas, and our shelves are loaded with lovely gift merchandise for your choosing. Visit us at The Book Shop, phone 63.

Few Ducks Observed As Season to Opens

While only a few ducks have been seen so far in the Hamlin area, the shooting season will open anyway at 12:00 o'clock noon Saturday.

After opening day, the shooting hours are from one-half hour before sunrise until one hour before sunset, reminds Game Warden J. D. Jones of Abilene.

With last week's rains, several tanks in the Hamlin area will provide stopping places for the fowls in their flights from the north.

Colorado City Nudges Pipers Out of Championship Running with 7 to 0 Win

Hamlin High School's Pied Pipers were practically nudged out of the championship running in District 5-AA Friday night when they fell before the fine defensive play of the Colorado City Wolves. Score of the new-breaker, played in the Wolves' new stadium, was 7 to 0.

Below-freezing weather trimmed the spectators to around 1,500, but it failed to daunt the spirit of the players.

Friday night's win was Colorado City's first conference victory for the season, and was the Pipers' second loss. Both the teams have the same record now with one loss and two wins out of three starts, and they are squared away in a tie for fourth place standing in the district.

Although doped to take the tilt at Colorado City, the Pipers' passing maneuvers were held to a minimum by the alert defense of the Wolves. The host eleven did most of their work on the ground. After a scoreless first quarter, the Wolves took advantage of a

break in the second period to tally. Berman Corbell, Colorado City back, kicked a high flyer to the Piper 16-yard place with a 42-footer. The locals failed to gain from that position and kicked out for only nine yards and kicked to their own 25. Then, on two plays the Wolves' Jerry Boyd went on a line buck for 20 yards and the touchdown. Corbell added the extra point.

For the remainder of the second quarter the teams see-sawed on punts, neither threatening to score, and the half ended with Colorado City on the long end of a 7 to 0 score.

In the third period the Pipers took advantage of a break to tally a marker. Recovering a Wolf fumble, after two plays, the Piper touchdown was scored by Milton Butcher from the 15-yard placement. Try for extra point was shy of the uprights.

Twice inside the Wolf 10-yard marker, the Pipers failed to muster enough strength to push over the oval.

Penny Post Card Days Are Numbered, And Other Postal Costs to Be Increased

The days of penny post cards in Hamlin and the rest of the nation looked this week like they are numbered. And other postage rates and costs are in for jumps, too.

A bill to abolish the penny post card and to raise postal rates \$117,000,000 a year was signed Tuesday by President Truman.

Beginning January 1 post cards will cost two cents.

The new law does not change the three-cent rate for ordinary first class letters or affect existing air mail rates. It authorizes these increases, however:

A 10 per cent boost in second class mailing charges for newspapers and magazines, effective next April 1. The rate will jump another 10 per cent April 1, 1953, and 10 per cent April 1, 1954, for a total increase of 30 per cent.

An increase from one cent apiece to one and one-half cents for bulk mailing of third class mail, largely circulars and advertising, after June 30. The increases in second and third class mail will not apply to non-profit religious, educational, scientific, philanthropic, agricultural, labor and veterans' organizations.

A rise in the cost of special delivery stamps from 15 cents to 20 cents beginning January 1. And charges for most post office spe-

cial services, such as insured and registered mail and C. O. D. deliveries, will also be increased then to bring in an estimated \$26,000,000 a year in extra revenue.

The bill contains a rider establishing a new system of graduated leave for 2,200,000 federal employees, including 500,000 postal workers.

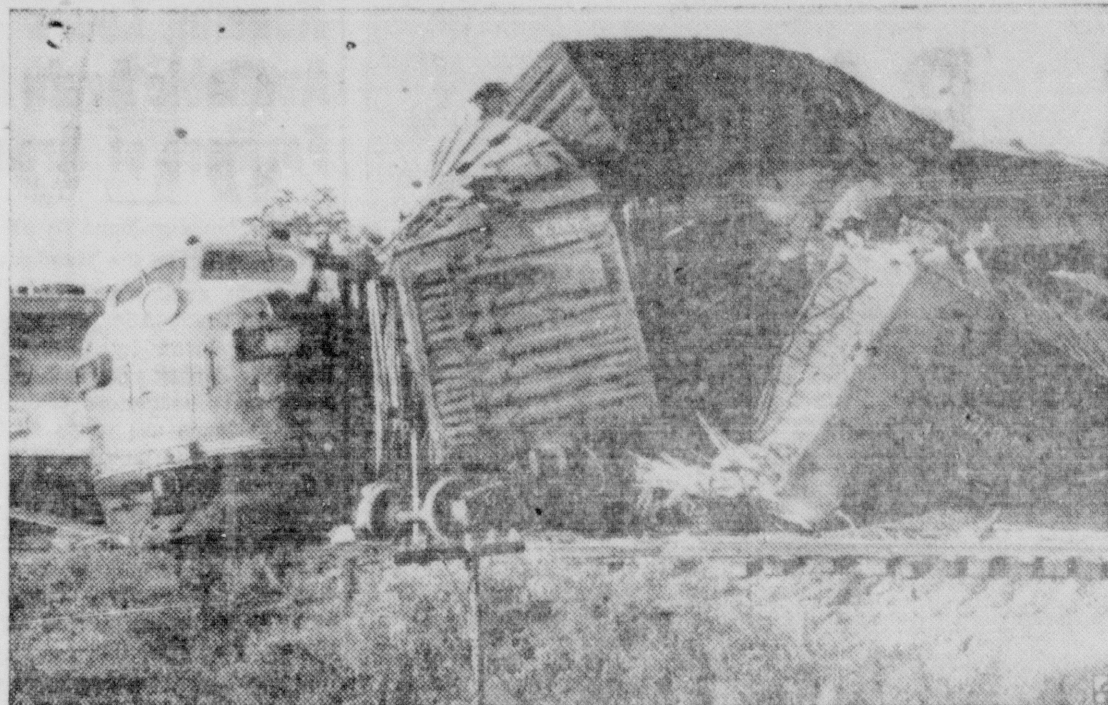

Hamlin Compress Adds Office Building

Hamlin plant of the Western Compress Company is in the full swing of the season, and last week compressed 3,200 bales of cotton, according to R. H. McCurdy, local manager.

Last year the plant compressed approximately 75,000 bales of cotton.

A new and attractive office building has recently been completed at the Hamlin plant, occupying a floor space of 21x33 feet. It contains a general office, new fireproof vault for the storage of records and supplies, a managers' private office and rest rooms.

Watch for our ad next Friday, the 16th—something new and lovely will be on display at The Book Shop, phone 63.

TRAINS COLLIDE—Railroad brakeman George Essex of Denison was killed and a conductor was injured when the diesel locomotive at left, pulling a freight train, collided with the rear of another freight five miles north of Denison. Both men were in the caboose of the leading train. The Missouri-Kansas-Texas trains were pulling about 80 cars. Considerable damage to equipment was suffered in the crash.

Wayne Daniel Gets College Paper Place

Wayne Daniel, sophomore student at McMurry College, Abilene, from Hamlin has been named as one of 11 new additions to the college newspaper staff, the War Whoop.

The War Whoop has received high ratings the past several years

from the Associated Collegiate Press, and last year it won first place in the second division of the Texas Intercollegiate Press Association.

Wayne has been assigned to cover the registrar's and business office of the college.

A lady is a woman who makes it easy for a man to be a gentleman.

SINGLE HANDED.

It was in one of those North-South intersectional football tilts. A Southern halfback was tackled terrifically hard. The impact stunned both boys. When their heads cleared the Southerner said good naturedly,

"You-all sure hit hard."

"You-all, my eye!" retorted the Northern tackler. "I did it all by myself."

Avoca 4-H Club Boy Wins County Gold Star Award

Bill Braun, son of Mr. and Mrs. A. C. Braun of Avoca, has been awarded the 1951 4-H Club Gold Star Award. This is the highest county award a boy or girl can win, advises Bill Lehmberg, county agent, who is sponsor of 4-H Club work in Jones County.

Bill started his club career in 1948 with a registered Hampshire gilt out of the C. L. Moritz herd. Following this, he was awarded a registered Duroc gilt in the Sears program, and last year was awarded the Sears Foundation awards eight registered Duroc gilts out of the first litter so that the program can be continued.

This foundation also awards 300 baby chicks each year to three boys in Jones County, and Bill was selected as one of these boys in 1949. His demonstration placed in the red award group. He sold 120 fryers and had 100 hens in the laying house.

Young Braun has exhibited his livestock in the Haskell Fair, the Abilene Livestock Show and the Jones County Show. His ribbons and cash awards are evidence of his good work.

Each 4-H Club boy is required to keep a record book which shows his receipts and expenses. There is a class for record books at the

Cotton Prices Running Above Last Year Rate

Although 1951 is a short cotton year and crops are good only in spots, prices are said to be running about \$30 per bale higher than last year.

One Hamlin farmer last week sold some very good cotton at 37 cents per pound, The Herald is informed.

county show, and Bill has won an award the last two years.

Grass judging is a specialty with Bill and he has been a member of the Jones County team for two years. Last year he was high point individual in a district contest held at Stamford. He has participated in contests in Abilene, San Angelo and Stamford. He was a member of this year's crop judging team and participated in the state contests held at Texas A. & M. College on June 25. Bill won first place in the county soil conservation contest, the leadership contest, and the poultry contest.

He has served as president of the Avoca club and as chairman of the county 4-H Club Council.

This year Bill has field crops, capons and turkeys for his demonstrations.

Bill owes much of his success to the active interest of his mother and dad. In Bill's own words, "I hope that all boys on the farms will join the 4-H Clubs and strive to live our motto, 'To Make the Best Better'."

DUBIOUS MEANING.

A certain U. S. senator wondered what his constituent meant when he penned a letter reading as follows:

"For many years your colleague, the distinguished senior senator from this state, did many favors for me. / But now he is deceased, and I hope I may eventually say the same for you."

This year . . . send personal Christmas cards; monogrammed while you wait, at The Book Shop, phone 63.

Hamlin Insurance Agencies Explain Auto Responsibility Law

Here are the ANSWERS to your QUESTIONS . . .

1.—What is the purpose of this newly amended law?

Enacted to protect the public from the careless and financially irresponsible driver, this new law is designed to restrict the operation of automobiles to those who are financially able to pay for bodily injuries, death or property damage which their automobiles may cause.

2.—What is the effective date?

January 1, 1952.

3.—To whom does the law apply?

It applies to all motor vehicle owners and operators, including non-residents, (except motor vehicles owned by the United States, this state or its political subdivisions, or any municipality therein), when they become involved in an accident resulting in death or injury to a person, or property damage to any one person, including yourself, exceeding \$100.

4.—Why is this law so important?

Because the law requires the Department of Public Safety to suspend the licenses of each operator and the registrations of each owner of a motor vehicle involved in an accident within the state in which any person is killed or injured or the property of any one person is damaged in excess of \$100, unless:

- (1) Automobile liability coverage for the accident is certified as in effect for him, with minimum limits of \$5-10,000 for bodily injuries and \$5,000 for property damage, or

- (2) He is covered for the accident by other liability insurance having such limits, or

- (3) He furnishes security up to a maximum of \$15,000, as required, to cover possible damages arising out of the accident, or

- (4) He is released from liability or finally adjudged not liable or enters a settlement agreement for the payment of all claims, or

- (5) At the time of the accident the car was legally parked or, as to the owner, was being operated without his permission.

5.—If an owner or operator does not have adequate and acceptable automobile liability insurance and is unable to furnish the required security, for how long must the Department suspend his operator's license and registrations?

- (a) Until the required security is deposited or, in lieu of such deposit, a settlement agreement is arranged, whereby the person injured or the owner of the property damaged will be paid an agreed amount in installments, or

- (b) until he has been proved not legally liable by final judicial action or has been released of all liability for damage, or

- (c) until the expiration of one year after the date of the accident if no action has been brought or counterclaim filed.

6.—Does a discharge from bankruptcy relieve a person against whom a judgment has been awarded from any of the requirements of the law?

No.

7.—When proof of financial responsibility to cover future accidents is required, how can this be furnished?

Under the law, there are three ways that proof of financial responsibility can be furnished:

- (1) By filing a certificate of approved automobile liability insurance; (2) By filing a bond, either corporate or real estate; (3) By depositing \$15,000 in cash or securities.

8.—What is the best way for an owner or operator to protect his right to drive under this law?

The easiest and most dependable way is to buy adequate and acceptable automobile liability insurance now—before an accident occurs.

When you buy an Automobile Liability Insurance Policy with adequate limits, written by one of the agents below you get: A POLICY that not only meets the requirements of the Motor Vehicle Safety Responsibility Law in this State but of all such laws in other States and Canadian Provinces. A POLICY that is backed by a "time tested" capital stock company of unquestioned financial strength and stability—a company with resources of over 160 million dollars.

* New York requires limits of \$10,000-\$20,000 Bodily Injury and \$5,000 Property Damage.

A POLICY that is serviced promptly assures immediate claim adjustment, assuring you of friendly, efficient service whenever or wherever an accident may occur.

A POLICY which not only provides for the payment (up to policy limits) of any judgment which may be awarded against you on account of bodily injury or death or damage to the property of others resulting from an accident covered by your policy but also pays legal fees and court costs, and provides for Release of Attachment, Appeal and Bail Bond Service in addition to the many other liberal benefits.

... JUST ONE ACCIDENT

Just one accident (a) resulting in bodily injury or death or (b) in damage to the property of any one person of more than \$100, and you will lose your right to drive—unless you can comply with the requirements of the Texas Motor Vehicle Safety-Responsibility Law.

Whether you are responsible for the accident or not—in order to retain your operator's license and registrations, you must be prepared to file a bond or deposit securities up to a maximum of \$15,000 if required.

Neither a judge nor the Department has any choice in the matter; they must impose the penalties demanded by the law.

Drastic? Yes. But the requirements of this law can be met in advance by purchasing a dependable Automobile Liability Insurance Policy with adequate limits now—before an accident.

A reliable all-coverage Bodily Injury and Property Damage Liability Insurance Policy, written with adequate limits, is a policy which will meet all the requirements of this new law.

For your own protection and peace of mind, call our office now—before it's too late!

Chemical Defoliation of Cotton Worth Cost If Gathered by Hand or Machine

Chemical defoliation of cotton may be worth the cost and effort regardless of whether the harvest is to be by hand, by picking machines or by mechanical strippers. Hamlin area farmers are advised by Bill Lehman, county agent.

Removal of all leaves exposes all bolls to sunlight and air current so they dry rapidly and open quickly. This often allows the cotton to be picked two weeks earlier.

Defoliation may be beneficial in the control of cotton insects—cutting down on leaf worm and aphid infestations, reducing boll weevil populations and permitting

early stalk destruction for pink boll worm control.

"Apply defoliants when the youngest bolls expected to make cotton are 25 days old," advises F. C. Elliott, cotton specialist for the Texas Extension Service. "Defoliants should be applied 10 days or two weeks before the intended picking date."

Use of dust defoliants is recommended only when plants are wet with dew or when adequate dew is forecast. Elliott cautions that the dust must remain in moisture on the leaf for at least two hours. Four or more hours of moisture exposure is preferred.

Calcium cyanamide and monosodium cyanamide are two recommended dust defoliants. Calcium cyanamide, sold under the trade name "Aero Cyanamide, Special Grade," should be applied at the rate of 30 to 40 pounds per acre. Twenty-five to 35 pounds per acre

ONE KILLED—The north-bound Burlington Zephyr was derailed near Bryan when it struck a car driven by A. D.

Blunt, 72, a life-long resident of the North Zulch community. Blunt was killed instantly as he drove across the tracks

on the customary daily trip home from his grocery store. No serious injuries were suffered by those on the train.

"Together We Ride To Success"
PHONE 31 — HAMLIN

is recommended for monosodium cyanamide, which is sold as "Aero Sodium Cyanamide Dust (X-10)." Spray defoliants may be used in the absence of dew and when the air is extremely dry. However, Elliott warns that thorough coverage of the cotton plants is essential for good results.

Good defoliation can be obtained with six to eight pounds per acre of spray defoliants sold under the trade names "Shed-a-Leaf," "Ortho C-1, Liquid Defoliant," "Aero Cyanate Weed Killer," and "Dow Defoliant." One to four pounds per acre or five to 15 pounds of "Sodium Cyanamide, Soluble Grade (X-5)" may be used.

For ground spraying Elliott recommends dissolving the above ratios in 10 to 25 gallons of water, depending on the type of sprayer used and the size of the cotton plants. Thorough coverage of the plants is essential. This means going to the field with enough water. Under most conditions 25 gallons of water per acre will be necessary.

NOT GENTEEL, BUT POINTED

Preliminary to a minor operation, the doctor had given narcotics to a woman patient. The "dope" made the woman talk silly, so the doctor scolded her mildly: "You're absolutely silly," he said. "Well," mumbled the patient, "you're ugly."

"I said," repeated the M. D., "you're absolutely silly. You're sillier than I am ugly."

"Yes," agreed the woman, "but tomorrow I'll be normal."

Rubber Stamps at the Herald

PHONE RATES

(concluded from front page)
will be raised from \$3.50 per month to \$5.50, and the rural residential rates will be increased from \$2 to \$3.25 within a three-mile radius, these rates being based on the eight-party line system.

Beyond the three-mile radius, where additional mile lineages are involved, there will be various other changes in rates.

The Hamlin increases, an ordinance passed by the council and to be published legally in The Herald next week, are conditional upon the Southwestern Bell Telephone Company making certain expansions within the next 12 months. Failing in that, the council ordinance said, the party business flat rate will be reduced to \$7 per month, one party residential service to \$3.75 and two-party residential service to \$3.

BAG, SHOES
AND
HAIR-DO? "

"THAT
WAS SOME
SALE — WE
GOT RID
OF EVERY
DRESS
IN THE
HOUSE! "

"THE TROUBLE IS, HE HAS THAT
WELL-GOONED LOOK! "

"THIS
IS AN
ORIGINAL
PARIS MODEL
I BROUGHT
HOME
WITH
ME! "
